### **Fiumara 7 Angelo Blend wins Trophy for the Best Fortified Wine at the largest wine show in the world.**

**AWC Vienna** is the largest officially recognized wine competition in the world. This year 15,525 wines from 1,641 producers out of 44 different countries faced the international challenge. With such stiff competition, we are very excited that the Lillypilly Fiumara 7 Angelo Blend has been awarded the trophy for Best Fortified Wine. Altogether, Lillypilly Wines were awarded 6 gold medals, 3 silver medals and named a 3 star winery, the highest rating awarded by AWC Vienna.

This follows the success of our first Fiumara 7, Domenic Blend, which won this trophy when it was released in 2008. The Fiumara 7 is made from our treasured stock of aged fortified wine, held in barrels since the winery started.

### **New Releases**

We are very happy to announce new vintages of Sauvignon Blanc, Vermentino, Petit Verdot and Sunset Red. Hope you can call in to the winery cellar door and taste these new wines. ### **2018 NOBLE SAUVIGNON BLANC**

"Golden in the glass, with a tinge of orange – time in the bottle has given it time to soften and flourish. Cumquat, orange rind, and ripest apricots – a subtle candied peel character. This is in a terrific place – unctuous and fresh without any cloying notes – bright acidity hems the high energy, honeyed citrus fruits – demanding a return for the next sip. A sensational wine from a true specialist producer – a style that suits cheese plates or the sweetest of desserts." Nick Butler, The Fine Wine Review

### FIUMARA 7 ANGELO BLEND

Pasquale Fiumara planted the first grapevines at Lillypilly in 1972. Fiumara 7 commemorates the hard work of Pasquale and his wife Angela and their seven sons in establishing the family owned winery. This second blend of vintages held in oak barrels at the winery is named after the second son, Angelo Fiumara. Tawny red and golden brown colour. Rich, nutty aroma with dried fruit and spices. Smooth mouth feel with beautifully blended fruit and tannin characters. Lingering, savoury finish. An exciting blend of vintages, some over 33 years old.

### Vineyard News

It's that time of year again, when the vines turn green seemingly overnight as they sprout new shoots for the new season. Following good winter and spring rains, the vines are looking great as we head into summer and the 2022 vintage. We are undertaking renewal of some of our older vines, enabling us to keep them productive well into the coming years. With more rain forecast for the summer months, we're looking forward to another outstanding vintage.

**Lillypilly Estate Wines** The grapes are grown and crushed, and the wine fermented and bottled at the family winery. Lillypilly now has a diverse range of wines from dry to sweet, including dessert and fortified wines. Robert has won over a thousand awards and his passion for wine continues to enable him to capture the Riverina region's unique climate and flavours in a bottle.
