LOCATION

Cottontail Wines is located in South Eastern Australia, specifically the Gundagai wine region, classically known for ideal growing seasons producing rich fruit characteristics and beautiful berry colouring. The vineyard experiences ideal spring conditions seperating cold winters with hot summers.

PAIRING

Our healthy soils have created a full bodied, smooth and balanced flavour that lingers and enhances the complex berry fruit flavours. Deep purple and rich characters of blackberry & raspberry with a hint of liquorice and plum. Suitable for most meat dishes, including woodfired roasts and game.

KEY NOTES

A premium, full bodied wine spending over 12 months in barrel. Offers an underlay of cedar wood and a generous foundation of mouth filling body. The refreshingly crisp finish is warm and not too spicy. Ideally, it can be cellared for up to 20 years to enhance the vibrant flavours.
