

Angas & Bremer takes its name from two rivers revered as the heart and soul of our region, where vines were first planted over 150 years ago. Despite our long and distinguished history, Langhorne Creek is often regarded as Australia's best kept wine secret.

Shiraz Cabernet

TASTING NOTES

Our Shiraz Cabernet blend has lifted aromas of spice, dark cherries and plums. The palate is rich and generous, with forest fruits and vanilla combining with soft tannins and excellent length.
