**L O N D O N**  
*calling*  
*Symphonia*

Symphonia vineyard is located within a winemaking idyll in the Victorian alpine region of Australia.

Planted in 1981, alternative varieties were always the core focus and this decision has been validated over the years by notable names of Pizzini, De Bortoli, Gapstead and Bill Downie utilising the site.

Lilian Carter is a winemaker with more than 14 years experience working throughout Australia. Currently engaged as a wine industry consultant to private clients in Australia and China, Lilian works closely with vigneronns Suzanne and Peter Evans to produce wines of elegance and complexity from the truly unique Symphonia vineyard.
