

**WINEMAKER: BEN GLAETZER**

**MANAGING DIRECTOR: NICK KEUKENMEESTER**

Heartland is that place between the vines with the best view of the gum trees. You might be in another part of Australia or another part of the world. We may not be with you, but our wines can be. You can't see everything that goes into making Heartland wine from where you are but...

*you can taste it from where you are.*

LANGHORNE CREEK WINES

YOU CAN TASTE IT FROM WHERE YOU ARE

[www.heartlandwines.com.au](http://www.heartlandwines.com.au)

*Directors' Cut* is Ben Glaetzer's most powerful expression of Langhorne Creek. Only the finest vineyards in Langhorne Creek contribute to *Directors' Cut* wines.

### DIRECTORS' CUT Shiraz

The deep colour gives a clue to the concentration of the aromas and flavours to follow. The palate brings to mind a berry compote enriched by elusive hints of spice. *Directors' Cut Shiraz* is famous for its poise and balance.

### DIRECTORS' CUT Cabernet

Here the fruit of old vines are showcased by Ben's refined winemaking and matured in the finest oak to bring the intensity of the Cabernet Sauvignon to the forefront. Look for delicate floral and herbal notes to act as a counterpoint to the raw majesty of the fruit.

### HEARTLAND Shiraz

*Heartland Shiraz* is a true example of Australia's most iconic variety. The deep ruby colour predicts aromas of black currants and smokehouse bacon. These notes are accompanied on the palate by dark chocolate and a wisp of pepper spice. The power and intensity of the wine is undeniable and well beyond expectation.

### HEARTLAND Cabernet Sauvignon

This wine showcases the cool climate of the region more clearly than any other wine we make. Wonderfully fragrant, with hints of blackcurrant, mixed herbs and cut plum on the nose. The palate displays deep flavours of blueberries and black cherries and finishes long and multilayered.

### ONE

The finest wine we can make from the outstanding old vine fruit of Langhorne Creek. This Cabernet dominated blend combines with Shiraz to bring together the region's two iconic varietals and create a red that demands attention.

### SPOSA e SPOSA

Celebrates the marriage of Italian grapes, Dolcetto and Lagrein grown in Langhorne Creek. Ripe tannin structure and bright acidity of Lagrein balances out the voluptuous and fruit driven Dolcetto.

### SPICE TRADER

Just as the spice traders of old, we risk all in search of exotic flavours. Shiraz and Cabernet are our guides in this delicious blend. Dark fruits such as blueberries and blackberries are decorated by spice, fresh oregano and dill.
