

COTTONTAIL WINES

WHITE BUBBLES [SPARKLING CHARDONNAY]

LOCATION

Cottontail Wines is located in South Eastern Australia, specifically the Gundagai wine region, classically known for ideal growing seasons producing rich fruit characteristics and beautiful berry colouring. The vineyard experiences ideal spring conditions separating cold winters with hot summers.

PAIRING

This sparkling Chardonnay is best served chilled and is a perfect match with fish, chicken, and pork, also enjoyed with cheese platters. It is designed to be enjoyed now, and is a perfect gift or wine to celebrate special occasions.

KEY NOTES

Our White bubbles is a bright yellow straw colour with an elegant nose of lemon citrus. Made from our Chardonnay grape, the palate is soft with nutty & cream characters. The excellent growing season for our Chardonnay, with long cool nights and warm summer days, allows for a slow and balance ripening - to bring out the acid.
