# BFR

BAROSSA VALLEY & MCLAREN VALE  
SOUTH AUSTRALIA

*Shiraz*

The BFR is a limited release, one of a kind wine like no other. While its name has different meanings depending on who you ask, those on the inside know the truth. Bob Franchitto's Red, Big Friendly Red and Bob's Favourite Red are all friendly adaptations but once you've tried it you know that is a...BIG F@#%ING RED!

This wine is a blend of Shiraz from Barossa Valley and McLaren Vale to create the perfect balance of a warm and cool climate wine. It is deep crimson in colour with aromas of dark forest fruits and spice with a touch of earthiness. On the palate you will initially find the fruit flavours from the nose followed by cracked white pepper and French oak nuances, finishing with firm but lingering tannins.
