Published 4<sup>th</sup> December 2023

“Sourced from a King Valley vineyard at 350m elevation that’s planted with the newest generation of Sangiovese clones available in Australia. With its cherry plum and floral aromas, this immediately accessible and brightly fruited wine was made to be enjoyed with margherita pizza in front of the TV on a school night”.

Rating: 91 Points.

Tasted: October 2023
