THE BROS...

Born in the Barossa's Eden Valley of German heritage, Daniel Chaffey Hartwig felt a natural pull to winemaking. As a child, the Barossa's back blocks were his adventure playground. School holidays were spent picking grapes before working the tasting bench at Penfolds, followed by a career as a wine broker and creative consultant. Chaffey Bros represents the fruition of a long dream to ply his family's trade in his beloved Barossa.

Brother in-law, Theo Engela, fled a career as a government economist to join Chaffey Bros to work on "the business-side-of-things", quickly falling into the winemaking side. Theo loves the opportunity wine gives to pull multiple passions into one creative endeavour.

WINEMAKING PHILOSOPHY:

Our grapes are the heroes: we labour to preserve the purity of the pristine fruit from cherished old vine vineyards

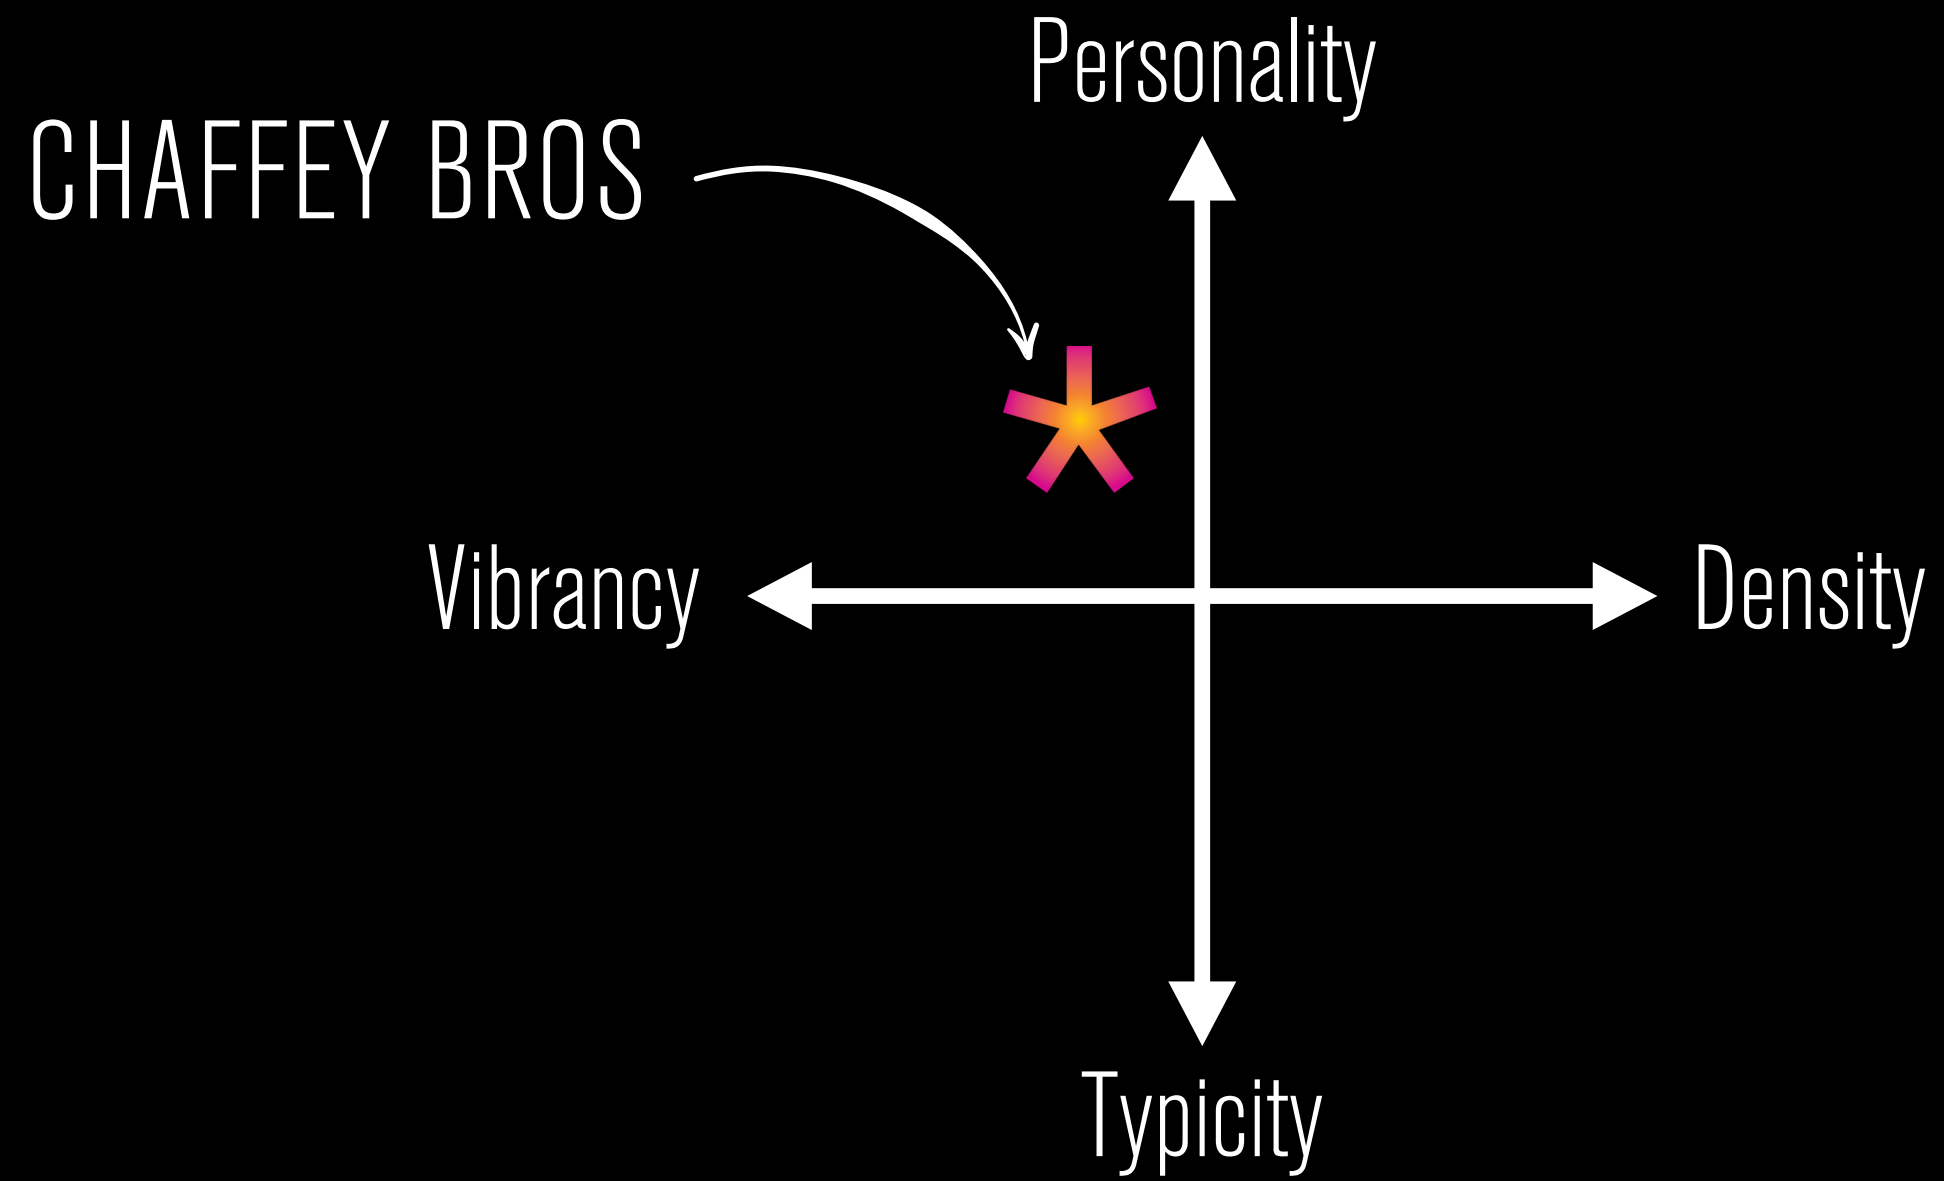

No shortcuts: we choose to take the time to use traditional cold-settling methods instead of fining agents or harsh filtration

New Wave Barossa: soil up... aromatic... textural... unadulterated

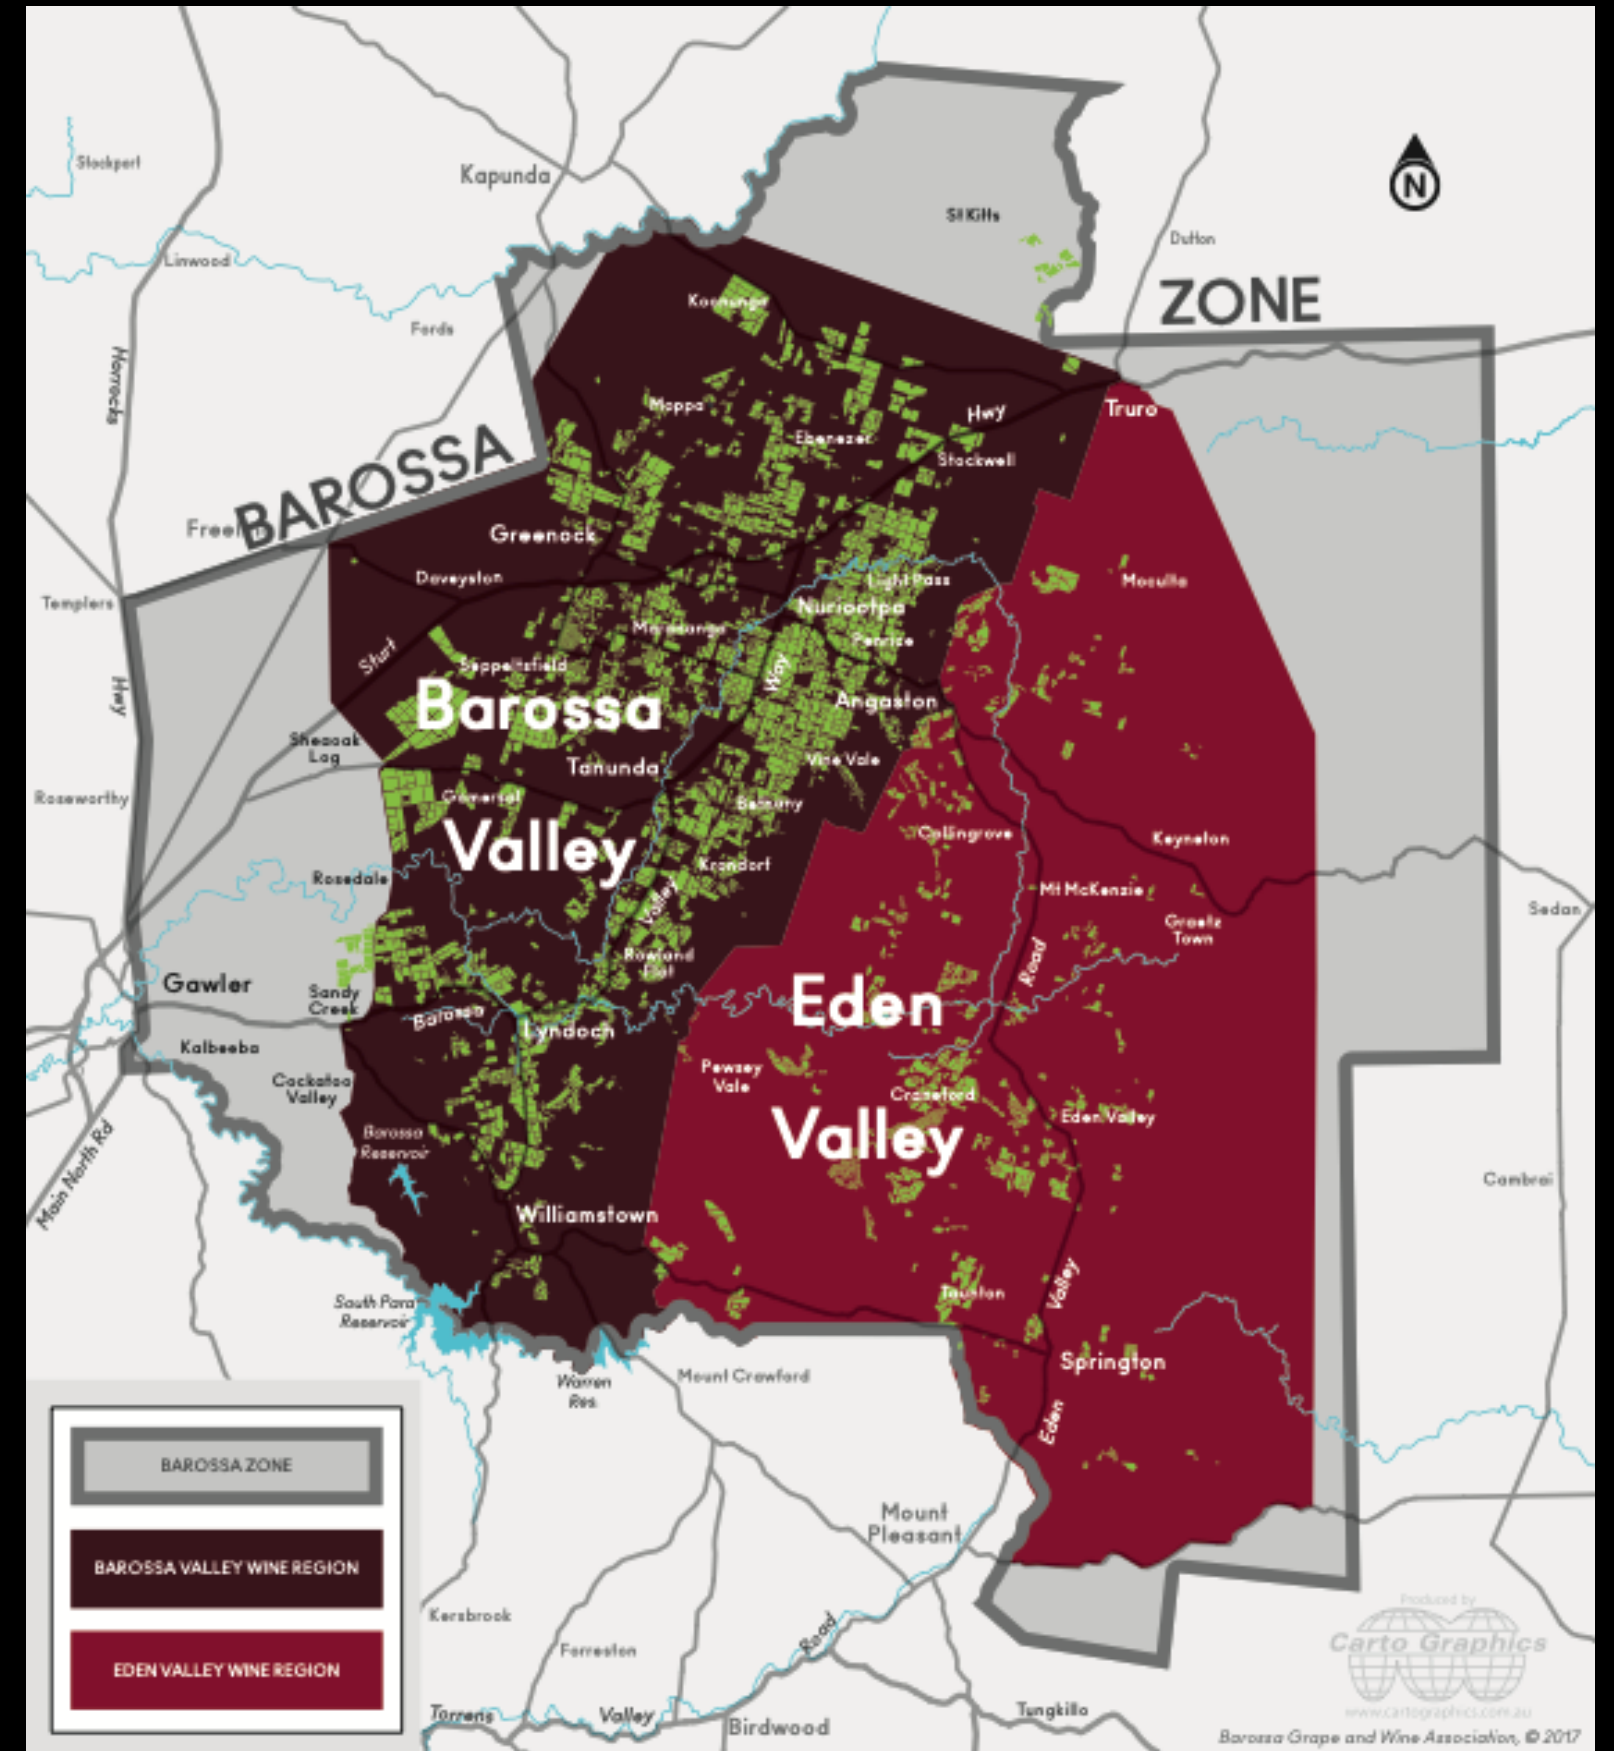

MINIMAL INTERVENTION. UNFINED. UNFILTERED = VEGAN FRIENDLY

VINEYARDS / GROWERS

Our wines draw on our longstanding collaboration with multi-generational grape growing families across the Barossa region, particularly the Fechner, Rohrlach, Noack and Heinrich families. They are an extension of our own family and these friendships are integral to our winemaking DNA. Our wines recognise our growers' invaluable contribution by naming them and their vineyards on most of our labels, often with GPS coordinates of the specific sites in their vineyards.

SUSTAINABILITY: We craft wines to express the true nature of the region in the most sustainable way.

OUR NEW HOME IN THE HEART OF THE BAROSSA...

ARTISANS OF BAROSSA... our collaborative Cellar Door & Restaurant opened in September 2021 and marked the beginning of a new chapter for Chaffey Bros. Born from a simple idea that working together was more fun than going it alone... eight small-batch winemakers with a shared vision to share everything we love about Barossa.

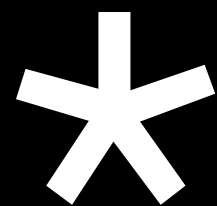

Visitors can taste over 90 wines from eight small-batch winemakers in our Wine Room, or enjoy a meal at DELIKATESSEN, a casual Barossan eatery, or at ESSEN, a benchmark dining space honouring the region that ignites the passion for everything we do.

We are so excited to welcome you to our food and wine wonderland in the heart of the Barossa Valley!
