

V.no...

Alcohol Removed White Wine | South Australia

We believe anyone can enjoy great wine on any occasion. V.no is a premium South Australian white that delivers full flavours in every glass. The only difference to other quality white wines? We gently remove the alcohol before bottling. Aromas of stone fruits and citrus leap from the glass, while the palate is medium-bodied and fresh.

BOTTLE BARCODE:	9 314733 003735
BOTTLE TYPE	750ml screw cap closure
