

# CAPE MENTELLE

MARGARET RIVER

## Cabernet Sauvignon 2020

PRECISE . INTENSE . ELEGANT

Cape Mentelle has a rich history of exceptional quality and consistency with Cabernet Sauvignon, from a pioneering producer in Margaret River in the early 1970s to a benchmark winery today. Our Cabernet Sauvignon is the culmination of an intensely detailed approach to our vineyards and grape selection. From our vigour and soil mapping techniques to the identification of select parcels and hand harvesting bunch by bunch, we ensure gentle handling through every stage of production.

A magnificent testimonial to our heritage vineyards, consistently delivering *power, elegance and opulence*.

- CORALIE LEWIS, CAPE MENTELLE WINEMAKER

### APPEARANCE

Deep ruby.

### NOSE

The alluring perfumed nose has an abundance of blue fruits, sweet blackberry and soft florals, with underlying leathery, briar notes.

### PALATE

A wine with great energy, richness, density and opulence however it remains elegant with fine graphite tannins. Juicy black pastilles, plus warm cassis and wild blueberries with an edge of bay leaf. A masterpiece in a glass, showing what Cabernet from Cape Mentelle can be, this will develop beautifully with age.

### FOOD PAIRING

Ribeye just seared and served with mustard.  
Balsamic braised leek risotto.  
Charcuterie with Manchego and aged Cheddar.

### CELLARING

15+ years

### BLEND

91% cabernet sauvignon  
6% cabernet franc  
2% petit verdot  
1% merlot

### ANALYSIS

13.8% alcohol  
5.82 g/l total acidity  
3.62 pH  
Suitable for vegans

### THE SEASON

The 2020 vintage in Margaret River was a real treat for viticulturists. Beginning in January, harvest was one of the earliest on record due to the lower yields and warm, dry weather. Low disease pressure, timely flowering of native marri trees to keep the birds at bay and little to no rain meant that growers could literally “take their pick” as required. Rainfall resumed in March but overall, a warmer than usual summer with plenty of heat accumulation across the season. Our aim with cabernet sauvignon is to deliver grapes that are a true and vibrant expression of the vineyard site, with excellent tannin structure and ripeness. A range of precision viticulture techniques are included in our annual plans for each block, with the focus on canopy manipulation, ensuring air flow and sunlight penetration into the fruit zone. These mature vines from our Estate Vineyard provide consistently high-quality fruit year after year.

### WINEMAKING

Our Wallcliffe heritage vineyards were handpicked in the early hours of the morning. After destemming and hand sorting, the berries were lightly crushed to closed top fermenters and individually fermented with select yeasts. Daily tasting allowed for adjustments to extraction and maceration to reach concentration and balance of structure. Maceration periods reached up to 27 days and at the desired balance of fruit perfume and tannin complexity, each batch was basket pressed, with the pressings kept separated. A few of our finest parcels were assembled early to form the major portion of the blend, allowing the wines and pressings to integrate harmoniously through ageing. The wines were barrel matured for 18 months, with limited racking, 45% new French oak was used to complement the fruit. The final blend remained unfinned and was filtered before being Estate bottled in December 2021.
