cabernet malbec  
ferguson valley | 2018

96 points

"57% cabernet sauvignon, 29% malbec and 14% petit verdot. Machine-harvested, crushed and destemmed, a mix of wild and cultured yeast, 2-3 weeks on skins, a soft press to barrel (30% new) for 18 months maturation. A full-bodied, complex wine, the fruit singing soprano, tannins the base. An imposing wine by any standards, it does need time."  
James Halliday - 01 June 2020
