

BRICKFIELDER

Brickfielder Wines G F Angas Barossa Valley Shiraz 2020

Vintage	2020
Grape Variety	Shiraz 100%
Region	The historic Barossa Valley produces some of the best Shiraz in the world thanks to its rich soils, low humidity and diverse landscape.
Vineyard	A multi vineyard selection from Eastern slopes and Southern parts of the Barossa Valley
Vintage Conditions	Below-average winter and spring rainfall resulted in very cold mornings in spring, with some frost issues across many parts of South Australia. A long even growing season with an occasional heat spikes gave richness to the resulting wines without losing elegance. The warm temperatures and lack of rainfall during the growing season produced a vintage that allowed winemakers and viticulturalists to pick all fruit at the optimum flavour ripeness.
Winemaking	Picking of fruit began in mid-March, once harvested the stems were removed and the fruit fermented in stainless steel fermenters. A relatively warm ferment to extract the plush fruit flavours was followed by 18 months maturation in seasoned American Oak of which 30% was new.
Aroma	Freshly sliced panforte – date, fig, with dark chocolate and plum that becomes more apparent with time in the glass. Immediately recognisable American oak, sweet Vanillin spices and a propulsion of dried roasted almond enhancing not intruding.
Palate	Assertive fruit. Dark berries and ripe plum/dark couverture chocolate. Spills across the palate by means of a coating of fine polished tannins. Lingering flavours leave you wanting for more.
