Vintage comment

A cool growing season and above average winter rains leading into the 2017 vintage saw the region return to what could be best described as a more traditional Coonawarra vintage. Harvest commenced late March and continued through to early May. Coonawarra has not had a vintage which commenced this late since the outstanding 2004 vintage. - www.coonawarra.org

Cellaring

A wine that can be enjoyed now, but will reward those patient enough to cellar.

Tasting Notes

A contemporary expression of Coonawarra Cabernet. Dark and fragrant aromas draw you in. Blood plum, blackcurrant and anise.

The palate is medium bodied, driven by a savoury tannin structure giving the wine great line and length. Complex, thought provoking Cabernet. Flavours of cassis, layered with dark chocolate and a dusting of toasty French oak. Great persistence and depth of flavour with a vibrancy of fruit giving the wine energy and lift.
