VINEYARDS

Our Redbank Victorian collection consists of wines that are generously flavoured and ideal for enjoying with food or just with friends. Grown in premium Victorian wine regions. Our Shiraz is sourced from the rich volcanic soils of the Dookie area in central Victoria. Cool nights and warm days allow Shiraz to fully develop its flavour profile. A bold, full red ideal for everyday enjoyment.

TASTING NOTE

The 2019 Victorian Shiraz exhibits chocolate and warm berry fruits on the nose. On the palate, pepper and spice dominate the American oak's chocolate richness. With 12 months on French oak it is full of white pepper spice and red berry warmth. This wine reveals length and generosity but remains soft and dry on the finish.
