

2018 BÂTONNAGE SHIRAZ / MALBEC

Winemaking experimentation and a passion for Malbec have led to the development and release of this wine. This 2018 Shiraz Malbec is a selection of premium fruit sourced from our vineyards at Bremerton.

The nose shows lifted violet and spice, complemented by a palate showing purity of varietal fruit. This red fruit and white spice is balanced by the structural complexity of fine French oak and a textural finish.
