

## **2022 Alvarinho**

*Fresh & vibrant.*

Lemon blossoms & tropical flavours with a vibrant acidity.

---

**750ml | 13.5% alc/vol**

*This intriguing Portuguese variety (pronounced al-va-reen-yo) reveals lemon blossom aromas, tropical flavours and vibrant acidity.*

*Our estate-grown Alvarinho produces wines that are very aromatic, fresh and high-quality. We find our vines are best suited to winemaking styles which produce a light, fragrant, elegant yet complex fruit-forward style.*

*Drink young and fresh. Best served chilled.*

*Food pairing: Fresh seafood with lemon zest is the natural companion for the 2022 Alvarinho however it will also pair well with spiced Asian dishes (the subtle lychee and orange blossom pairs well with spices and heat)*
