

A man and a woman are walking through a vineyard at sunset. The woman, on the left, is wearing a black sleeveless top and blue jeans, holding a glass of red wine. The man, on the right, is wearing a light blue button-down shirt and khaki pants, also holding a glass of red wine. They are both smiling and looking at each other. In the background, there are rows of grapevines and a warm, golden light from the setting sun. A white circular overlay is positioned in the center of the image, containing text.

LAMBERT

ESTATE

From around the world
to South Australia, the Lambert
story is a family love story –
for each other, for wine, and
for the Barossa Valley.

LOVE THE DISCOVERY!

OUR STORY

When Jim Lambert's business travels brought him to Australia in the 1990's, he realised his love of wine and beautiful places could mark out a new future for him and Pam, his wife. This dream was realised when they discovered the vineyards just out of Angaston in the Barossa hills that would become Lambert Estate.

Their son Kirk joined Jim and Pam on their journey from Wisconsin in the USA to the Barossa. Kirk studied wine making at the University of Adelaide and it was there that he met and fell in love with fellow student Vanesa.

Now married, it's Kirk and Vanesa who fuse their American and Peruvian backgrounds with their expertise in wine making. It's a fusion that brings their flair and individuality into every bottle of multiple award winning wine.

When Jim and Pam
Lambert first discovered
the Barossa Valley, it was
love at first sight – again!

THE BAROSSA VALLEY

Just a 50 minute drive north east of Adelaide, the Barossa is an internationally-recognised wine producing region encompassing the beautiful rural towns of Tanunda, Angaston and Nuriootpa. It's a region founded on passion, pride and spirit.

Nestled in the rolling hills to the west of Angaston in the beautiful Barossa wine country, the Lambert Estate is blessed with some of the region's finest soils and climatic conditions.

That's part of the reason why every bottle of Lambert Estate wine is unique and special. And, because we are a little higher in elevation than much of the Barossa Valley to the east, it's a pristine, unspoiled location that produces intense, complex wines loved across Australia and around the world.

The Barossa Valley

OUR VINEYARDS

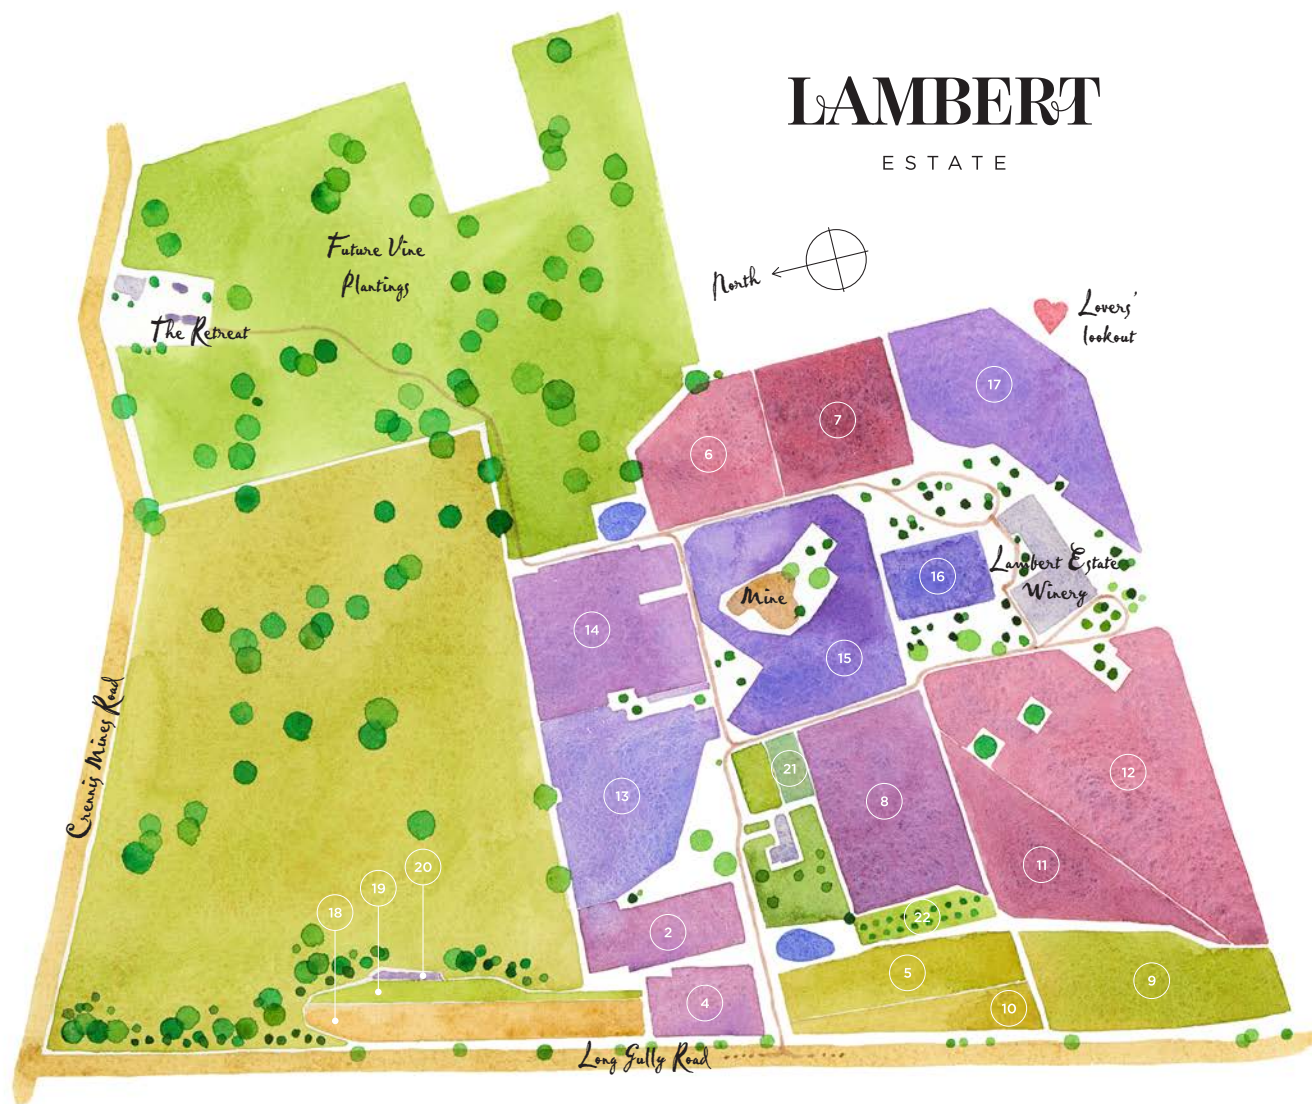

Lambert Estate's 100 acres of Barossa Valley land features 17 different soil types and a variety of distinctive microclimates that emerge from each block's elevation and position. That means we're able to create a range of premium hand crafted estate-grown wines that take full advantage of what nature has blessed us with.

Vanesa and Kirk Lambert
are the new generation
continuing the story.

The winery has been built into the hillside and reflects the natural shape of the terrain. Without the need for pumps, we're able to let gravity do a lot of the work. This saves energy, and treats the fruit more gently, which is always good news for the wine we make. It also means our winery is a naturally cooler space, with less need for air conditioning to develop the quality of our wines.

OUR CELLAR DOOR

Take time to discover the brand new Lambert Estate cellar door, and you'll be in for a real treat. Sample our wines – all served from our tasting bar constructed from reclaimed, red gum from the estate.

A TASTE OF THE BAROSSA

A visit to the Barossa – and, especially, a journey of discovery to Lambert Estate – wouldn't be quite the same without a bite to eat.

Join us for lunch in the restaurant, or indulge yourself with a tasting platter. We proudly support local food, which means our food features the best that the Barossa and South Australia has to offer. The restaurant uses ingredients and fresh produce sourced from our own orchard and kitchen garden, including several native Australian ingredients.

E V E N T S

When we designed our new facilities here at Lambert Estate, we wanted to provide an amazing space in the Barossa for a wide range of special events.

From business meetings, to group luncheons... from weddings to special parties – we've got it covered. It's a beautiful venue with stunning views, the perfect location to create memories that will last a lifetime.

Our function room can cater for even the largest wedding or that special occasion party. We're happy to talk to you or your event organiser about local hotel accommodation, photographers – we're here to help, and we look forward to seeing you and your guests soon!

THE RETREAT

If you and your friends or loved ones want to taste what it's like living in the Barossa, we've got a place that might just meet your needs.

The Lambert Estate Retreat allows you and up to seven more guests to stay on our vineyard, where you can sample the best of the Barossa. The Retreat is a rural idyll, but it's only a few minutes to the restaurants and attractions of Angaston, Nurioopta and Tanunda.

WINEMAKING

Winemakers Kirk and Vanesa carefully craft our wine range. By matching vines to subtle soil and climate differences, and by carefully monitoring watering, our wines fully express the potential in our estate-grown grapes. It's an approach that blends traditional winemaking with modern techniques.

“Our ultimate aim is to let the grapes speak for themselves. It’s an approach to single vineyard winemaking that you can taste in every bottle of Lambert Estate Wines.” Kirk and Vanesa Lambert

PREMIUM

THE FAMILY TREE

Shiraz

The wine that started it all, the foundation. We planted our roots in this beautiful valley in the heart of Australia, with the sole purpose of making outstanding wines. This Shiraz is the hallmark of our efforts and a benchmark against all others.

Wine Type: Bold Red Wine

SILENT PARTNER

Cabernet Sauvignon

Only our finest Cabernet Sauvignon could be named to honour the Family Patriarch. Like its namesake, through hard work and determination to reach the pinnacle of success, these vines thrive in the rocky soil on the hillside overlooking Lambert Estate. The result is a wine that is firm and elegant with a rewarding finish, a stunning accomplishment.

Wine Type: Bold Red Wine

CLASSIC

THOROUGHbred Cabernet Sauvignon

It's all in the lineage. A meticulous selection of a vineyard site cultivated with our choice of an elite vine stock with specific clonal traits. It has taken years of training and refinement of these elements to create the spirit and boldness that embodies the performance of a true Thoroughbred.

Wine Type: Bold Red Wine

THE COMMITMENT Shiraz

The Lambert Family have dedicated their lives to producing authentic Barossa Valley wines that respect the past while keeping an eye to the future. Wines that reflect a sense of the land and the people where it was created. It is this small encapsulation of time that is our commitment to you.

Wine Type: Bold Red Wine

A THOUSAND WORDS Chardonnay

Sometimes we have those picture perfect moments that need no explanation. However, more often than not, a single picture may just signify part of a great story. For those experiences in our journey that can't be captured in a moment may there be a thousand words in every bottle.

Wine Type: Dry White Wine

VARIETAL EXPRESSION

FIRST KISS Rosé

It can start with a gentle brush of the cheek. It happens in an instant, but then grows deeper with every passing second. In that moment, it's the madness in our eyes that we will forever remember. Sometimes you just know...

Wine Type: Rosé Wine

NORDIC FROST Riesling

Where it originated, we aren't sure. It's often only whispered as the cold shoulder or the silent treatment. But that's only a small part of the story. It is the crisp, dry humour that helps balance out the intensity in all our relationships, making us love it the most.

Wine Type: Dry White Wine

VARIETAL EXPRESSION

COMPLICIT Merlot

Every crime has an accomplice. You know who you are, but don't worry you shall remain nameless. Usually hidden in the background, it is your turn to take the stand. Smooth and subtle, your only crime is making great wine.

Wine Type: Dry Red Wine

FIRST CHAPTER Shiraz

A time capsule. A fortunate meeting. A kiss. Family. Every story is different, each chapter unique. The tone has been set, meet our hero. Immerse yourself in this time and place and continue the journey.

Wine Type: Dry Red Wine

EXOTIC CHARACTERS

BLACK SHEEP Blend

When you cross swords with a Black Sheep you never know what you're in for. You'll find this red wine surprisingly lively, despite its dark nature.

Wine Type: Dry Red Wine

BLACK SHEEP

SPECIALTY

THE CHOCOLATIER

Aged Tawny with Dark Chocolate

The Lambert Estate Chocolatier pairs an aged tawny with dark chocolate to craft a unique balance of flavours. Whether you choose to drink it plain, put it over fruit or ice cream, or create your own signature dish, it is always a favourite.

Wine Type: Fortified Wine

THE PROLOGUE

Pinot Noir / Chardonnay

Every story has a beginning, but it's what happens before the story begins that defines the characters. Sit back, relax and enjoy our story.
