MARGARET RIVER WINES

ROSÉ 2021

WINEMAKER'S NOTE: Pale pink coral colour with lifted strawberry, fairy floss and floral aromas. The palate is delicate and vibrant with a crisp dry finish.

VINTAGE: Wet Spring and early Summer made for long slow ripening in 2021. This provided good condition for flavour development in red varieties aimed for Rosé production.

VINEYARDS: Grapes for this wine were sourced from our vineyards in the northern end of Margaret River and selected growers across the region giving us layered flavour profile and texture.

VINIFICATION: Grapes were pressed off, clarified and fermented at a cool temperature in stainless steel, then bottled early to retain freshness.
