

2018 ZIP LINE SHIRAZ

The zip line cable ride at our vineyard generates endless laughter for all generations of the family, and much like this wine, it's a smooth ride to the end.

Our Zip Line Shiraz is made from our Eden Valley single vineyard Shiraz grapes, plucked from a combination of our older vines with an average vine age of 50 years, to give depth and complexity, and from our younger vines planted in 2008, to give fruit freshness and vibrancy.

TASTING NOTE

Rosewood red purple in colour, this middle-weight Eden Valley Shiraz impresses from the get-go with a dense rose petal perfume, plum quince fruits and a hint of vanilla on the nose.

A chewy mouthful of warm lush purple fruits follows, all held together with well balanced tannin and acid.
