

ROCCO SHIRAZ

VINTAGE 2019

Golding Portrait Series

As our premium range of wine, the Portrait Series, is an ode to some of our much-loved family members. Like any family, we have many interesting characters with wonderful stories to tell. These exceptional wines are produced using premium parcels of handpicked fruit and considered barrel selection.

Tasting Note

This elegant Shiraz wears its' cool climate origins proudly, delivering bright cassis and blackberry fruits on the nose, while the palate brings a balance of berry flavours, spice and fine tannins. Always a joy to blend from a selection of our very best barrels of the vintage; our Rocco Shiraz is an honest reflection of our place in the Adelaide Hills.

"Large in stature, humble by nature, our grandfather Rocco travelled halfway around the world to build a new life for himself and his bride in the Adelaide Hills. He worked the soil of his Basket Range market garden tirelessly for many decades as his family grew and prospered. His leap of faith continues to resonate, and he takes his rightful place in our Portrait Series as the one who embraced the pioneering spirit and, ultimately, determined our place in the Adelaide Hills".
