EMERI'S GARDEN PINK MOSCATO 2022

Variety

White Frontignac, Muscat Gordo
Blanco, Shiraz

Vineyard

Various throughout the Riverina

Season

Good rains during winter and early spring allowed for good fruitfulness and healthy vines at the beginning of the growing season. A cooler than usual ripening period enabled good varietal flavours. Rain during late spring and summer increased the disease pressure but with good viticultural practices and selective harvesting we were able to begin vintage albeit about 2 weeks later than what has become the norm in recent times.

Tasting Note

Seductive pastel pink in colour. The nose displays freshly crushed grapes, with a hint of strawberries. The palate is lively and fresh as one would expect from a frizzante style wine. The palate tastes of freshly crushed grapes and Pink Lady apples.

Wine Style

Winemaking

The fruit was picked and pressed cold, in new state of the art bag presses. Juice was left to settle naturally and then racked clean. The wine was fermented cold to retain fresh fruit characters. Fermentation was stopped once a balance was reached between alcohol, sweetness, acidity and bubbles.
