2019 BAROSSA VALLEY SHIRAZ

GROWING SEASON

The 2019 Barossa Valley vintage is shaping up to be a stand-out, with very high quality across the board but with significantly below average yields. The growing season started dry and stayed that way. In September, the Barossa Valley experienced below average maximum temperatures which delayed budburst and early vine growth. Frost was a constant threat with two bad frosts in our Ebenezer vineyards in late September and early November. Stone Well escaped the frost. If the frosts and dry conditions were not enough, the flowering period was windy and unsettled, and a hailstorm on 22 November topped it all off. By the end of March all our Barossa Valley grapes were harvested – one of the earliest on record. Resulting yields were variable; in most vineyards below average, in many well below. The good news is that flavours and colours (in reds) and overall quality is exceptional. A truly great Barossa vintage in the making.

TASTING NOTE

Shiraz sourced from vineyards in Northern and Western Barossa. Handpicked, hand sorted, de-stemmed, and open fermented before spending 16 days on skins. Matured for 18 months in a blend of new and second use French oak before being bottled in December 2020.

Deep bright red tinged with purple, that characteristic Hayes Family softness is here in spades, rich but balanced, blackberry fruit the dominant character - classic Barossa richness. This wine will cellar very well.
