

# Devil's Corner

## TASMANIA

*Intrepid sailors navigating Tasmania's Tamar River discovered a treacherous bend and named it Devil's Corner. Beyond the tumultuous waters they found an amazing sanctuary, where still waters rewarded their hard navigational efforts. Their courage in pursuing this sanctuary is celebrated in this truly cool climate, finely crafted wine from Exceptional Tasmanian Terroir.*

## 2020 Devil's Corner Sauvignon Blanc

### THE WINE

Bright pale straw colour with green splashes. The bouquet displays vibrant lifted passionfruit and grape fruit aromas. This is interwoven with hints of lime and grassiness. The passionfruit flows through to the palate along with a crisp refreshing acidity. Overall a wine that is bursting with flavour while leading to a finish that is long and balanced. This is a wine that will be most enjoyed in its early years.

### THE GRAPE VARIETY

Sauvignon Blanc is a French white grape variety originating in the picturesque upper river system of the central west of the country. It is responsible for aromatic, deeply flavoured dry whites wines. Although a relative newcomer to Australia, it has settled well into its new environs, producing wines of depth, pungency, elegance and balanced freshness, especially when grown in areas enjoying cool ripening conditions.

### TECHNICAL DETAILS

Grapes are sourced primarily from our vineyard located on Tasmania's East Coast. This vineyard delivers a consistent, crisp and fresh Sauvignon Blanc. The 2020 vintage was low yielding providing Sauvignon Blanc of great intensity. Juice was run off skins immediately after pressing and then cold-settled. The wine was fermented in tank under strict temperature control to maximise the integrity and impact of the vibrant fruit flavours. It was bottled with an alcohol of 13%.

### SERVING SUGGESTION

This wine is the perfect luncheon style with an affinity for all seafood. Try calamari or fried whitebait. Char grilled asparagus, drizzled with olive oil and a really good shaved aged parmesan cheese would be an excellent match for this young sauvignon blanc. Or why not serve it with an Asian-inspired seafood salad or just enjoy it on its own.
