

WINE NOTES

Peccavi 'No Regrets' Sauvignon Blanc Semillon 2022

Vinification and Maturation

The 100% Peccavi estate grown fruit is de-stemmed and crushed to the press and the cold juice extracted. Fermented at low temperature, the resultant wine is allowed to rest in tank on lees and stirred regularly for several months to improve texture and mouthfeel. On clarification, the wine is bottled and stored in cool conditions to retain freshness.

Certified Sustainable Vineyard and Winery
