## 2022 Arinto

*Zesty & refreshing.*

Stone fruits & white florals with a refreshing acidity.

---

**750ml | 13.5% alc/vol**

*A rare and versatile Portuguese variety, this estate-grown, medium-bodied wine features floral aromas, citrus and stone fruit flavours, finishing with refreshing acidity.*

*One third of the 2022 Arinto was fermented in French oak to add complexity. There are bright flavours of lemon, lime and rich melon with beautiful apple blossom aromas.*

*In Portugal, it's generally considered one of the most versatile white varieties, and can be found in a wrange of styles such as sparkling, aged whites and even fortified wines.*

*Drink young and fresh. Best served chilled.*

*Food pairing: The 2022 Arinto goes perfectly with seafood paella, king prawns or oysters.*
