

WHISTLER – NEXT GEN RANGE

Award-Winning. Fun. Drink-Now.

2020 THANK GOD IT'S FRIDAY Shiraz.

TASTING NOTES

Vibrant purple colour, this wine has loads of blueberry and black pepper character on the nose. It is particularly soft and smooth thanks to the warm, dry 2020 season, making it a great drink on its own, but can also pair well with red meat dishes. You don't have to wait until Friday to drink this wine though!

RECOMMENDED CELLARING

Ready to drink now or cellar for up to 10 years.

FRUIT SOURCE

Predominantly grown here on our Estate vineyards using organic and biodynamic practices, this fruit comes from our younger vines, which were planted in 1997, and grow on loamy soils with broken quartz and ironstone scattered throughout.

WINE MAKING

Partial whole bunch, fermented using wild yeast in small open fermenters; This wine was foot stomped to allow gentle extraction of colour, flavour and tannins. After 12 days on skins the wine was basket pressed and put to neutral French and American oak for 10 months. The wine was blended and bottled with no fining.

TECHNICAL DATA

Alcohol: 13.5% pH: 3.61 T.A.: 6.0 g/l
