

v.no

Alcohol Removed Red Wine | South Australia

We believe anyone can enjoy great wine on any occasion. V.no is a premium South Australian red that delivers full flavours in every glass. The only difference to other quality red wines? We gently remove the alcohol before bottling. The palate is well balanced with a fine tannin structure and soft mouthfeel. Dark fruit flavours are supported by hints of vanilla and spice from oak maturation. Best Served chilled.

BOTTLE BARCODE:	9 314733 003728
BOTTLE TYPE	750ml screw cap closure
CARTON CONFIGURATION	12 pack
