

Koonara Family Reserve Ambriel's Gift, Cabernet Sauvignon 2019

Region: 100% Coonawarra | Single vineyard

Tell me more:

Ambriel is the angel of communication and guides us to truth and clarity.

Style & Character:

Cabernet is a medium to full-bodied wine with concentrated flavours of blackcurrant, mulberry and plum. Typically, firm tannins without being astringent or hard. Coonawarra Cabernet has the capacity to age gracefully for decades

Flavour Profile:

Ambriels Gift has a rich palette of black fruits like blackcurrant mulberry and plum. The nose is leathery, earthy and tarry with fruit in the cassis spectrum. It's silky smooth in the mouth with powerful oak characters sitting on top of an abundance of varietal fruit.

Look out for:

Chocolate, Mint, Blackberry & Vanilla

So how do I serve it?

The ideal temperature to serve red wine is actually between 14°-18° If red wine is too warm the alcohol can dominate and mask some of the flavours.

What pairs well with this?

Cabernet pairs well with most red meats, It goes especially well with lamb, but also beef. Cabernet has a soft spot for mushrooms and hard cheeses, think gouda and cheddar. For the sweet tooths out there dark chocolate is Cabernets best friend

How long will it last?

This one will cellar well until 2035.

Also good to know:

- This wine is Vegan friendly
- Has low levels of residual sugar
- Below organic levels of sulphur

Bragging Rights from previous vintages:

- This is exceptional Coonawarra." Ned Goodwin (James Halliday), 2019
