

AS THE WORLD GETS HOTTER IS TASMANIA THE COOL PLACE TO GO?

10 MARCH 2024

PRESENTED BY PAUL MCARDLE

A discussion on Tasmania as a cool climate wine region, with an examination of the unique factors (climate, soil, clones) that contribute to the style and quality of the wines. We will taste and discuss key varieties to showcase the Tasmanian region and its elegant, cool climate wines.

1 Small Wonder 'Blanc de Blancs' Tasmania Chardonnay 2021

2 Small Wonder 'Landscape' Tasmania Riesling 2023

3 Small Wonder 'Portrait' Tasmania Chardonnay 2021
