

# COTTONTAIL WINES

SWEET RED BUNNY [BLEND]

## LOCATION

Cottontail Wines is located in South Eastern Australia, specifically the Gundagai wine region, classically known for ideal growing seasons producing rich fruit characteristics and beautiful berry colouring. The vineyard experiences ideal spring conditions separating cold winters with hot summers.

## PAIRING

This wine is made for drinking on release from the winery. Served slightly chilled increases the acid profile and makes this wine refreshingly delicious. Ideal with pizza, medium soft cheeses, rich desserts and anything spicy.

## KEY NOTES

A food friendly styled wine, it expresses many of the Shiraz characteristics, yet offers a lusciously rich palate. The warm summer seasons are ideal and award us with these complex grapes. The Red Bunny has been aged in American oak for 8 months.
