

HEIRLOOM
VINEYARDS

FOR THE **LOVE** OF WINE

Our Story

Heirloom Vineyards was conceived in vintage 2000, when a young winemaking student Elena Golakova, caught the eye of a silly old wine judge, Zar Brooks.

A love story ensued inspired by two vows: To preserve the best of tradition, the old world of wine and our unique old vineyards and to champion the best clones of each variety planted in the most appropriate sites embracing the principals of sustainable and organic farming.

Our Philosophy

Winemakers Elena Brooks from Bulgaria and Alexandra Haselich from Canada, bring vast experience from Europe and Canada. Together they work on vineyard and variety combinations to create the best styles from wine regions within South Australia.

From harvesting to fermentation and maturation in the best French oak, all parcels are kept separate. This means when it comes time to blending the individual parcels of wine, winemakers Elena and Alexandra, have the ultimate palate to achieve their signature varietal style.

With minimal intervention, great passion and expertise, we want our wines to show provenance, purity of fruit and complement any dining occasion.

Our Vineyards

Barossa is arguably the single most famous wine region in Australia. Barossa includes both Barossa Valley and Eden Valley, making it one of the only areas in Australia to have neighbouring warm and cool climate growing conditions. This makes it ideal to grow both white varieties like Riesling and red varieties like Shiraz.

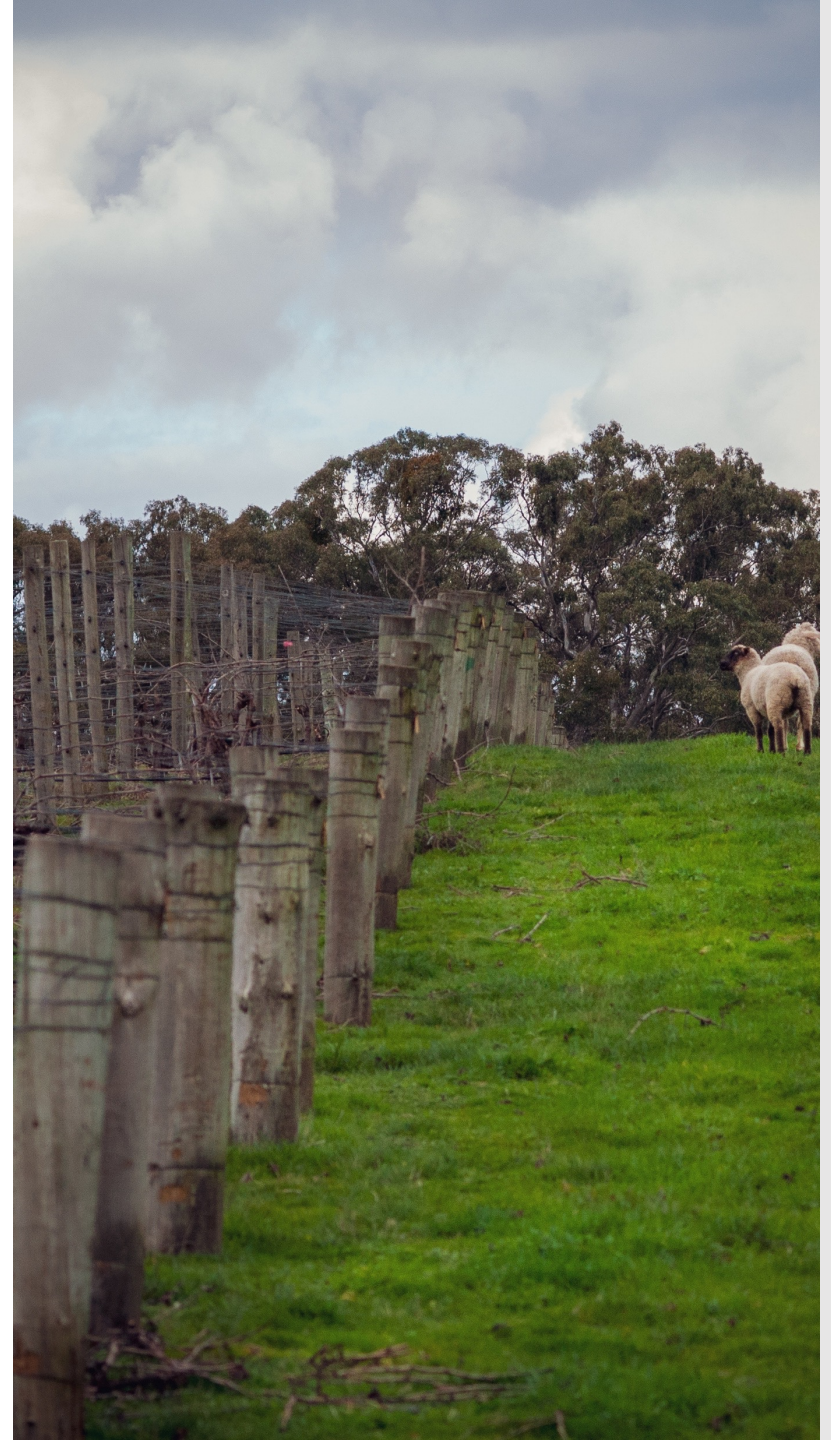

Heirloom Eden Valley Riesling, Heirloom Barossa Shiraz and Heirloom A'Lambra Barossa Shiraz.

Our Vineyards

McLaren Vale Located between the ocean and the hills, McLaren Vale is renowned for premium production and sustainable winegrowing. With a Mediterranean climate, the region is best known for Shiraz, yet McLaren Vale also excels in the production of ultra-premium Grenache and alternative varieties.

Heirloom McLaren Vale Shiraz, Heirloom McLaren Vale Touriga, Heirloom Alcala McLaren Vale Grenache, Heirloom Anevo McLaren Vale Grenache, Touriga and Tempranillo.

Our Vineyards

The Adelaide Hills is bordered to the North by the Barossa and Eden Valley and McLaren Vale to the South, but due to its altitude, the Adelaide Hills is significantly cooler and wetter, making it ideal for growing white varieties like Sauvignon Blanc and Chardonnay and reds like Pinot Noir.

Heirloom Adelaide Hills Sauvignon Blanc, Heirloom Adelaide Hills Pinot Grigio, Heirloom Adelaide Hills Chardonnay, Heirloom Assen's Fortalice Adelaide Hills Chardonnay, Heirloom Adelaide Hills Pinot Noir, Heirloom Alcazar's Castle Adelaide Hills Pinot Noir and Heirloom Adelaide Hills Tempranillo.

Our Vineyards

Coonawarra Australia's most famous cool-climate region for Cabernet Sauvignon. The grape varietal has found a home in the terra rossa soils of Coonawarra, producing rich, firmly structured red wines that are renowned around the world.

Heirloom Coonawarra Cabernet Sauvignon.
