

THE HERO

Grenache 2022

Region: Wine of Australia

Grape Variety: Grenache

Winemaker: Corey Ryan

Alcohol: 14%

Summary: The Hero wines are hand-crafted from the best quality fruit sourced from premium vineyards across South Australia, including McLaren Vale and the Barossa. With meticulous handling in the vineyard and winery, the pristine fruit will have less exposure to anything harmful that may normally require the addition of preservatives. Our wines are crafted to be brightly coloured, exotically fragrant, full-flavoured and critically, they sing without the addition of preservatives. Perfectly suited to many cuisines, these wines are also crafted to ensure they are suitable for Vegans.

Winemaking: Healthy and problem free fruit is selected in the vineyard and then picked in the cool of the night and then rushed to the nearby winery for a fast and focused vinification. Fermentation is cool in a closed static fermenter before a short maturation on lees and bottling.

Vintage 2022: 2022 will probably be remembered as wet in most parts of Australia. However, in inland vineyards the rain did not hinder, rather it helped vines stay healthy and created favourable conditions for a modest and favourable crop across much of the country. Overall quality was up but yields were down.

Tasting Note: A lighter to medium bodied Grenache that is super easy drinking. Captivating nose of sweet berry flavours with hints of raspberry fruit and spice. The seamless palate is light and juicy with sweet fruit and a subtle earthiness and clean acidity on the finish. Perfect with a lamb shoulder
