**We are excited to announce this amazing achievement in the best selling

With more than 9,100 wines tasted this is the largest number of wines tasted in five years with rigorous scoring consistent with international benchmarks.

[Z WINE] received a '5 STAR RED Rating' and 'Best Wineries by Region' with a long track record of up-holding a 5 STAR rating for the past four years. It's exciting to see [Z WINE] continue to focus on and produce high quality wines and be recognised for this achievement.

With the accolades rolling in the 2019 [JULIUS] Shiraz received 95points, GOLD and Outstanding Rating. Highly regarded and Chief Editor Tyson Stelzer commented "As always, top wines deserve top scores". We couldn't agree more!

Tyson's review on the Julius included "From the original Zerk Lyndoch vineyard. Matured 20 months in 40% new French and American oak barrels. Impressive full, vibrant, luminous purple hue. These vines encapsulate the compelling mood of Lyndoch, contrasting great depth of black fruits with lift and drive. A deep core of blackberry, black cherry, satsuma plum and licorice is confidently backed with high-cocoa dark chocolate oak. Impressively scaffolded tannins rise to the occasion". CELLAR to 2039". We are happy to raise a glass (and cellar some) to this!

With conservative yet rigorous scoring and the average score for hits edition being 90, we are proud to announce that we received 11 wines being rated 90+ and above. The panels now consist of regional specialists are providing stronger links with the regions with specialist expertise.
