# VINACEOUS

FINE AND DISTINCTIVE WINES

Since 2007 our unique collaboration has granted us access to some of the best vineyards from The Great Southern and Margaret River regions in Western Australia and enabled us to produce delicious wines.

Our winemaking philosophy is simple and relatively non-intrusive – to produce fine and distinctive wines, that reflect the individual characteristics of the vineyard and variety.

Winemakers | Gavin Berry & Michael Kerrigan  
Managing Partner | John Waldron

## Vinaceous Shakre Sauvignon Blanc 2021

Region Margaret River, Western Australia  
Alcohol | 12.5%

Margaret River region provides excellent growing conditions for this popular aromatic variety.

The Shakre Sauvignon Blanc is pale straw with a green tint. Herbaceous aromas with fresh tropical fruit flavours with floral notes.

The impact of cooler vineyard sourcing is immediately noted with the intense grassy aromas, with tropical fruit notes that leap out of the glass. The wine smells alive and fresh, just right for a warm day.

The extension of the grassy and tropical aromas onto the palate profile is seamless with a lightness and a freshness from moderate alcohol percentage and a good level of crisp acidity coming together to provide a flavour and mouthfeel experience that is bright and refreshing.
