

CALNEGGIA
FAMILY
VINEYARDS

Our Story

Calneggia Family Vineyards has owned vineyards and been involved in wine in the Margaret River region for over thirty years.

The family owns several premium vineyards across the region and produces the Rosabrook, Bunkers, Bramble Lane, Calneggia and Brian Fletcher Signature wines under the watchful eye of Chief Winemaker Severine Logan. In recent years, the family has expanded their portfolio to include a range of wines from Italy in conjunction with their Italian producer partners. The Calneggia family philosophy is to produce fruit driven, elegant wines that are a true reflection of the vineyards they come from, with an uncompromised commitment to quality.

Our Vineyards and Grape Supply

The **Rosabrook Estate** Vineyard is located in the hamlet of Rosa Brook some 14 kilometres east of the Margaret River Township. The soil is the much favoured Forest Grove type earth that consists of a sandy topsoil with a high gravel content overlying a clay subsoil. This soil is very free draining but does hold a reasonable amount of moisture which provides for balanced and even ripening. The vines are over 25 years old and produce intensely flavoured fruit.

Many of the CFV wines are produced from premium wine grapes sourced from the **Clearwater Estate** vineyard owned by the Calneggia family and the vineyards of **Westralian Nominees** of which the Calneggia family are substantial shareholders. These vineyards totalling some 160 hectares are all located in the northern part of the Margaret River wine region where warm days and cool nights during the ripening season provide perfect growing conditions. The deep red loam and gravelly soils impart a richness and depth of flavour to the wines and the abundant water supply and proximity to the coast provide perfect growing conditions.

Our Wines

Rosabrook was originally home to a small number of group settlement farmers who pioneered the dairy industry in Margaret River in the 1930's. Many of the isolated clearings they struggled to tame are now home to some of the region's prime vineyards. Rosabrook Wines was one of the first wine producing pioneers of the Margaret River wine region. Owned by Calneggia Family Vineyards, the winemaking philosophy, carefully guided by the Calneggia family and Chief Winemaker Severine Logan, is to create elegant, fruit driven wines that are attractive whilst young but also will reward patient cellaring when the variety suits further ageing.

Our Wines

Bramble Lane Wines by Rosabrook are carefully crafted to produce generous, supple and fruit driven wine styles that reflect the true character of Western Australia. The Bramble Lane wines are made by Rosabrook's Chief Winemaker Severine Logan; these wines offer high quality and great value that can be enjoyed every day.

Our Wines

Bunkers Wines is named after spectacular Bunker Bay, the pristine beauty on the tip of the Cape Naturaliste peninsula in the Margaret River wine region in Western Australia. Bunkers brings together surfing and wine, two of the region's greatest passions. Lefthanders, Supertubes, Honeycombs, Windmills, Guillotines and Bears make up the Bunkers range – each wine is a reflection of its namesake Margaret River surf break. From a zippy Sauvignon Blanc Semillon through to a savoury, spicy Shiraz, there is something to suit every taste. These are serious wines...for not so serious people. Bunkers wines are a world away from your average bottle.

Our Wines

Brian Fletcher Signature Wines are nurtured and hand crafted by one of Margaret River's most well respected winemakers – Brian Fletcher. These wines are a true reflection of Brian's natural wine making style-nuanced with minimal interference, allowing the fruit character and regional style to shine through. A collection of wines that Brian proudly puts his name to these wines encapsulate Brian's infinite passion for winemaking – from vineyard to bottle.

Our Wines

The **CALNEGGIA Asolo Prosecco D.O.C.G** is produced from fruit drawn from the Province of Treviso – Veneto Region, north-eastern Italy. The town of Asolo is known as ‘The Pearl of Veneto’. Only Prosecco grown in the restricted area surrounding this town can be classified as Asolo Prosecco Superiore D.O.C.G. – the D.O.C.G. appellation is given only to the most premium Prosecco of Italy.

The **CALNEGGIA Prosecco Rosé DOC** is from the heart of the Prosecco DOC region, in northeast Italy. Excitingly this was one of the first Prosecco DOC Rosés to be released in Australia since the Italian Government gave the go ahead for its production in May 2020.

Our Wines

Hailing from the rolling hills of the Italian island of Sicily, the **CALNEGGIA Fiano Terre Sicilian IGT** is the fourth wine in the CALNEGGIA Italian import portfolio. It is lush and full bodied and pairs beautifully with seafood, creamy cheeses and pasta dishes.

Fruit for the **CALNEGGIA Margaret River Rosé** was sourced from the Calneggia Family Estate Vineyard in Margaret River. Fruit was picked at optimum flavour profile for Rosé and a direct pressing technique used to give us a savoury yet delicate Rosé style.

The **CALNEGGIA Nero d'Avola Syrah DOC Sicilia** is a blend of Nero d'Avola and Syrah grapes grown in western Sicily. A lighter style Italian red, perfect served slightly chilled for Summer. Pairs beautifully with antipasto and pasta dishes.

Our Winemaker

Calneggia Family Vineyards' Chief Winemaker is the highly talented Severine Logan. Severine was raised in the Loire Valley, France and studied Oenology at Toulouse University. She spent 5 years working across multiple regions in France and moved to Australia in 1995 to start her winemaking career.

After climbing the ranks, Severine became Winemaker for both Houghton and Sandalford Wines in Western Australia before spending 6 years as Winemaker for Rosemount Estates in the Hunter Valley. She joined Watershed Premium Wines as their Head Winemaker in 2007 where she spent 12 years developing their formidable reputation and creating award-winning wines.

Severine is a highly respected winemaker and has judged on the French and Australian wine show circuit. She joined Calneggia Family Vineyards in late 2019 and now plays a very important part in growing their brands whilst building her expertise as a winemaker.
