DB FAMILY SELECTION SEMILLON CHARDONNAY 2020

Region
Riverina

Vineyard
Premium vineyards were chosen for their intense varietal flavour, and picked at their peak.

Season
Drought, fire and flood, followed by plague. The 2020 vintage threw everything at us, fortunately the smoke did not reach the Riverina and impact the fruit. The drought again impacted us with a dry winter and early spring. Thus resulting in some restriction of growth and yield. Leading to good quality fruit. Harvest began 7 Days later than the previous few years beginning after Australia Day.

Tasting Note
Fresh grassy Semillon and stone fruited Chardonnay are complexed by French and American oak for a beautifully luscious balanced wine.
