

AGE OF ENLIGHTENMENT

SHIRAZ | MCLAREN VALE | 2018

Age of Enlightenment, one might say, is when an individual becomes comfortable, self-assured and fully expressed in their own self. This awakening can occur at any time in life, but in that moment, one transcends to another level of expressive power, self-confidence, balance and harmony.

The same can be said for grapevines. A vineyard, its grapevines, grower and Mother Earth all work harmoniously, producing fruit of balance and expressive character capturing the gaze of the winemaker, who transforms the fruit into wine imbuing intrinsic characteristics of memorable quality.

The fruit for this wine is sourced from the Seaview heights subregion of McLaren Vale. Fermentation took place in 5 tonne open stainless steel fermenters with pump over twice daily, then pressed off to new and seasoned French oak puncheons for up to 18 months. The resultant wine was bottled unfiltered and unfinned to highlight the expression of the relationship between soil position and fruit.
