

LAGOON VIEW

"Lagoon" derives from the Italian word laguna, which means "pond" or "lake". Our multi award winning single estate vineyard is enhanced with a picturesque 15-acre lagoon where the vines overlook the lagoon. This inspired us to name this premium wine range "Lagoon View". Our Lagoon View range of wines have been awarded 130+ awards in the last 5 years at Australian, Asian, European and North American International wine competitions.

Lagoon View wines are vintaged from 100% premium quality Goulburn Valley estate grown fruit. Red wines are matured in quality oak while our white wines are fresh and fruit driven. This produces a premium range of wines that can be enjoyed on their own or with food. Our red wines can also be cellared.
