

ZONTE'S  
FOOTSTEP

Zonte's Footstep *is a proud, independent Australian wine producer. We take our vineyards and our wine, but not ourselves too seriously...*

Our grapes are sourced from our own, as well as our mate's, vineyards, from regions that produce expressive, varietal characteristics for the grapes being grown. Located in the McLaren Vale, Langhorne Creek, Adelaide Hills, Barossa and further afield.

Hence the simple, but diligent pursuit of producing wines that reflect a sense of place, style and purpose.

We have always aimed to produce wines with personality and expression... that's why we gave them names. Now these wines have evolved to have a face of their own!

# REGIONALITY OF SHIRAZ

## LAKE DOCTOR

SHIRAZ | LANGHORNE CREEK

Named after the house-cooling breeze of our 'Lake Doctor'. These winds arrive from the Great Southern Ocean direct from Antarctica reviving our vines and vignerons alike in the peak of the summer heat.

Drink with anything off the grill (preferably charcoal that is), and especially a second glass. Not just about the fruit, it's earthy too and what we have always loved about Langhorne Creek is they produce cracker wines - consistently!

The result is a fabulously stylish Shiraz, one which offers **five spice**, juicy **plum pudding** flavour with rolling soft, fine-grained **cedar** tannin.

*"Tonight's forecast...  
99% chance of wine"*

## CHOCOLATE FACTORY

SHIRAZ | McLAREN VALE

As an expression of a maritime climate, on our own little slice of heaven, our beloved McLaren Vale grape factory produces Shiraz with a signature milk chocolate core - our wonky take on decadent and lush. Willy, Willy Good. The best time to open a Chocolate Factory McLaren Vale Shiraz? Anytime (it just glides down so easy).

Black Forest cake in a bottle... be delighted by juicy **black cherry** and **mocha** notes intertwined with signature silky smooth **milk chocolate** tannins.

## HILLS ARE ALIVE

SHIRAZ | ADELAIDE HILLS

This jewel (or should we say Julie) was found in the picturesque Adelaide Hills, truly alive. Wine with elegance, finesse and prettiness; let's say our Fair Lady is as magical as The Sound of Music.

"Lively **red cherries** with spiced plums and **liquorice**; Silky soft tannins with dusts of **white pepper**; perfumed and pretty with hints of rose petals; these are a few of our favourite things."  
Maria von Trapp (with artistic license)

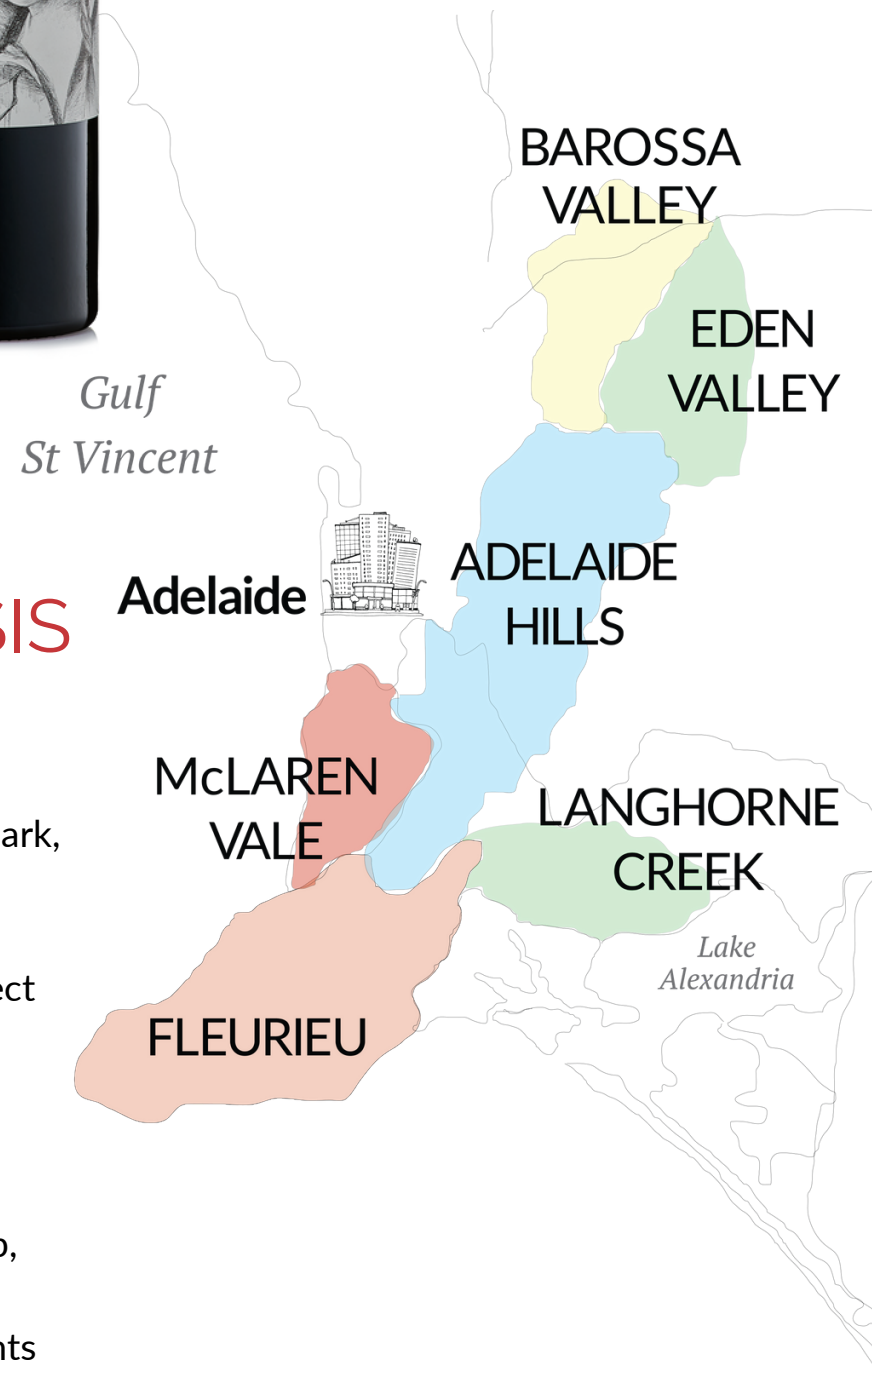

## BARON VON NEMESIS

SHIRAZ | BAROSSA

Ah foiled again! All the milk chocolate in the world just won't do if you want something dark, broody and mischievous. Underlying purity from the vineyard, it holds onto youthful austerity while delivering as you would expect from classic Barossa Shiraz - cool and intelligent - Germanic heritage abounds.

Great richness with line and length. Dark Chocolate and Sugar Plums this wine is deep, vibrant, fleshy and accessible. With a sweet Christmas Spice finish to cut through the hints of jamminess.

## SUPER TROOPER

SHIRAZ CABERNET | FLEURIEU

Our faithful, go-anywhere "Troopie" is top-dog of the Outback, and the perfect moniker for this wine!

In Australia the blend of Shiraz Cabernet is the ever-reliable wine, bringing together the generosity of Shiraz and structure of Cabernet, to deliver our unstoppable classic Aussie claret.

It wafts of macerated **cherry** and campfire toast. A rush of fresh berry, **choc mint**, cloves and cedary, smoked **bacon**. Robust fruit with supple tannin make for a morish mouthful

*It's wine o'clock somewhere...*

# SENSE OF PLACE

## BOLLE FELICI

BUBBLES | FEURIEU

This wine is cheerful, effervescent in style with delicate aromas of crunchy green apples and pretty pears. A chic drink with a light fizz, it is truly happiness in a bottle... a nice synergy given Bolle Felici translates from its native Italian to “happy bubbles”.

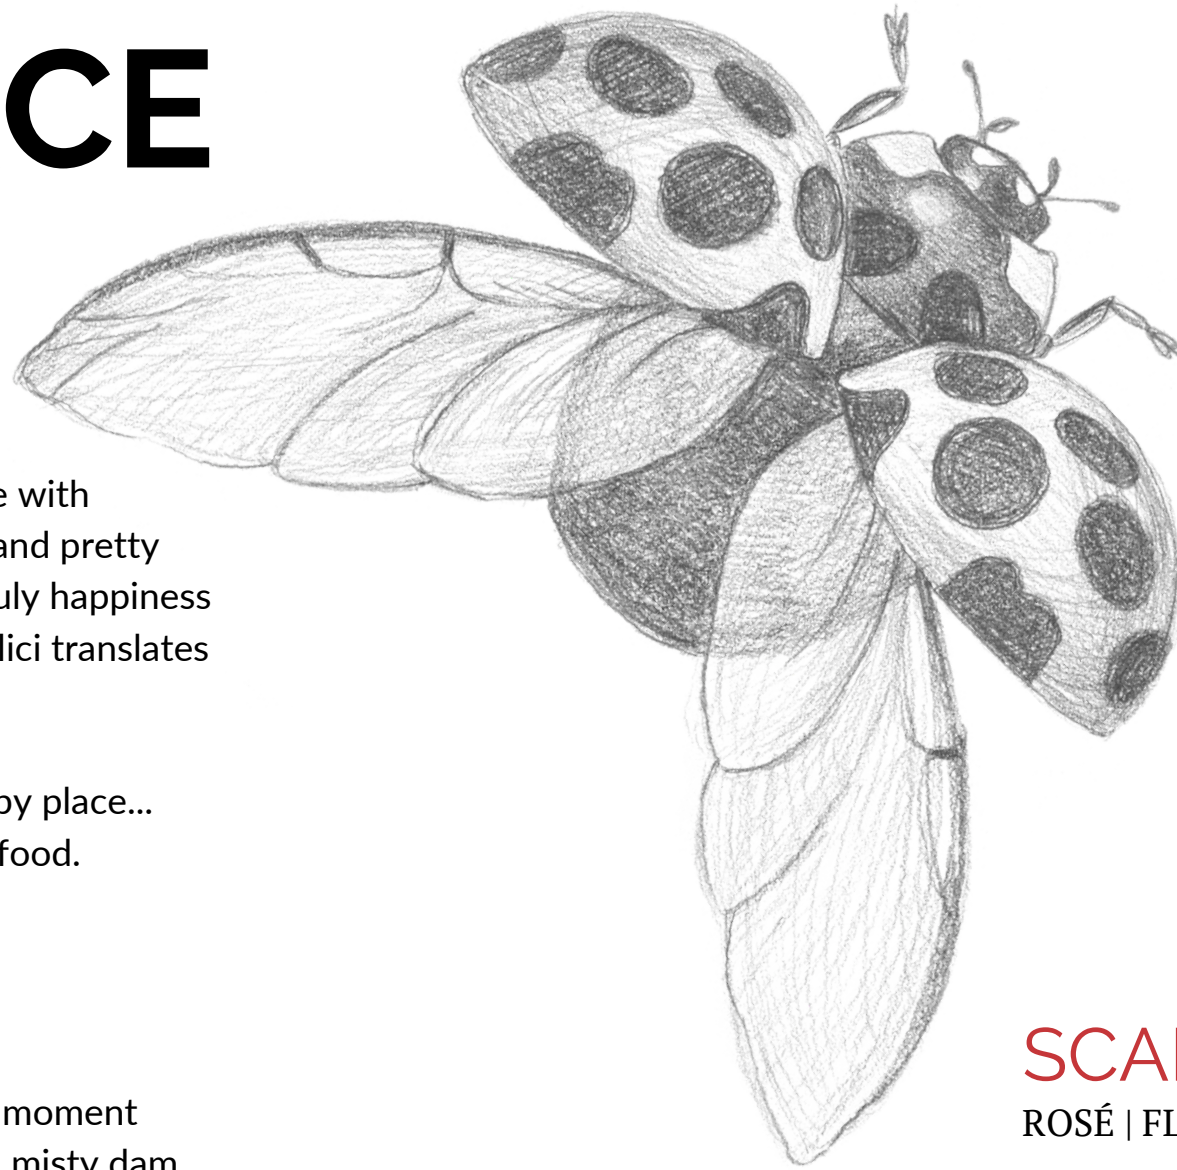

It's the sun, it's your friends, it's your happy place... and it loves to be drunk well-chilled with food.

## EXCALIBUR

SAUVIGNON BLANC | ADELAIDE HILLS

Our 'shining sword rising from the water' moment wasn't quite of Arthurian legend, but by a misty dam early one morning, the first rapier-like cut of this Sauvignon Blanc inspired our Excalibur.

Perfect for sitting down with a well-chilled glass on a balmy summer's eve, accompanying a plate of any fresh crustacean known to man.

## SCARLET LADYBIRD

ROSÉ | FLEURIEU

To honour the cute little polka-dotted predators who prey on any pests like aphids and keep our fruit pristine.

These select parcels of fruit become the ultimate mélange of prettiness and punch (fruit punch that is).

## BLACKBERRY PATCH

CABERNET | FLEURIEU

As we head to the vineyards with our shiny new buckets to put the juicy berries in; we dream of the perfect blackberry pie that will be made from the fruit that we pick. Wafts of fresh baked pastry; macerated blackberry flavours and the texture of clotted cream... now that's our Blackberry Patch!

*Let's go wine tasting on the couch...*

# MEDITERRANEAN

## SHADES OF GRIS

PINOT GRIGIO | ADELAIDE HILLS

Drama; the tale of two styles; Gris or Grigio. As Muse and Melpomene represented the struggle between comedy and tragedy; Zonte's have found the magical place between rich & sweet and clean & vibrant.

## LADY MARMALADE

VERMENTINO | FLEURIEU

Sexy, sassy and somewhat racy, our cheeky Vermentino exudes so much character it just keeps you coming back for more! Clarity of direction and straight out pezazz. You can see where the name came from!

*Time for wine...*

## CANTO

BUBBLES | FEURIEU

As a song is created from the blend of notes, rhythm and love. Our Canto is our favourite blend of grapes to create the perfect melody to kick back on a Sunday with Nona's favourite pasta and relax with family and friends... it's impressively awesome. Go on give it a try. Cin Cin!

## VIOLET BEAUREGARD

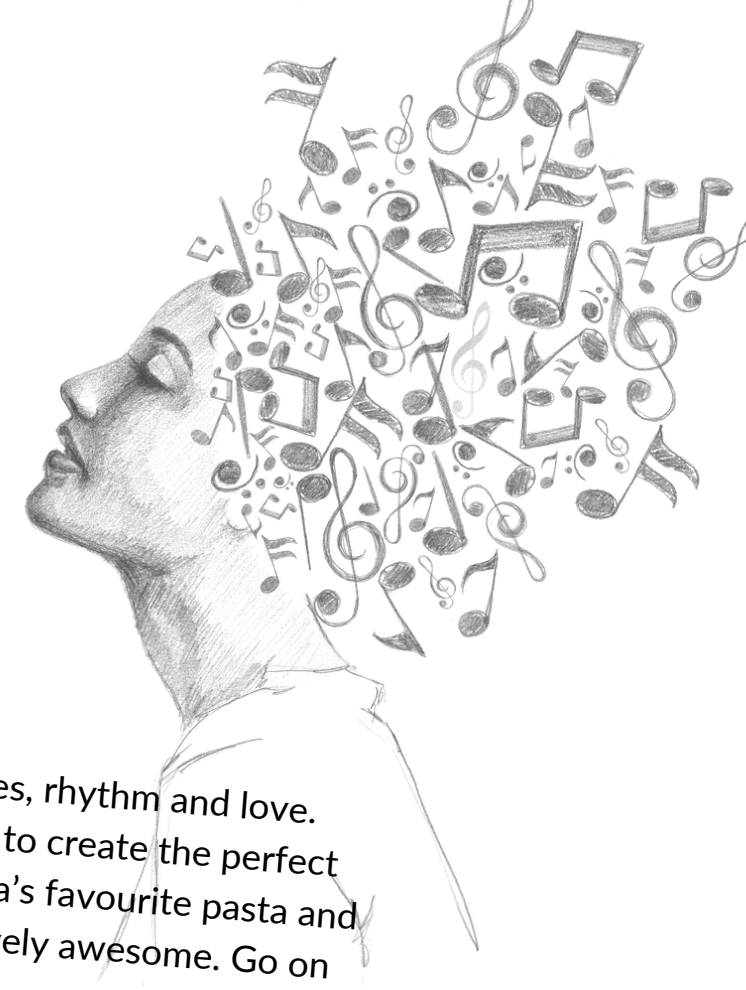

SAUVIGNON BLANC | ADELAIDE HILLS

On the vine, our perfectly round, plump and violet-purple Malbec looks like blueberries. Crush, ferment and pour into a glass... it smells like blueberries. If it looks like a blueberry, smells like a blueberry and tastes like a blueberry pie then Violet Beauregard it must be. Best consumed without Veruca Salt or Augustus Gloop...

## LOVE SYMBOL

SAUVIGNON BLANC | ADELAIDE HILLS

For too long Grenache has been a backup performer in GSM. It is Pme now for our beloved Love Symbol to shine as a solo-arPst. Love Symbol's "autograph" is its soft-yet-juicy tannins and taut acidity that fill the mouth making you yearn for another performance. A wine of stature, elegance, and poise... our Love Symbol will make you fall in love. We promise.

# LIMITED RELEASE

## BARON VON NEMESIS

SHIRAZ | BAROSSA

## HILLS ARE ALIVE

SHIRAZ | ADELAIDE HILLS

This jewel (or should we say Julie) was found in the picturesque Adelaide Hills, truly alive. Wine with elegance, finesse and prettiness; let's say our Fair Lady is as magical as The Sound of Music.

## AGE OF ENLIGHTENMENT

SHIRAZ | McLAREN VALE

Age of Enlightenment, one might say, is when an individual becomes comfortable, self-assured and fully expressed in their own self. This awakening can occur at any time in life, but in that moment, one transcends to another level of expressive power, self confidence, balance and harmony.

The same can be said for grapevines. A vineyard, it's grapevines, grower and Mother Earth all work harmoniously, producing fruit with balance and expressive character. This in turn captivates the winemaker, who transforms the fruit into wine imbuing the intrinsic characteristics of memorable quality.

## Z FORCE

SHIRAZ | McLAREN VALE

The extraordinary bravery of the special Australian Z Force unit in WWII and its fallen brothers are honoured in this wine, which is Zonte's Footstep's finest. Each bottle of this wine sold helps support the work of Legacy South Australia
