### SOUTH AUSTRALIA ROSÉ 2020

**VINTAGE CONDITIONS** – With very little rain and cloud over summer the fruit was unsullied. Temperatures were moderate with very few extreme heat days. Winemakers took the opportunity to allow fruit to remain on the vine to develop the best possible flavours. Temperatures cooled off late in the season which created perfect conditions for a long and slow paced finish to the ripening period.

**WINEMAKING** – We utilise a French technique known as Saignée; immediately following crush, the juice is drained from the skins preventing deeper colours and tannins being extracted from the skins. These skins have a lower juice to skin ratio and as a result, produce a more intensely flavoured wine.

**COLOUR** – Pale pink rose petal

**AROMA** – Strawberries and cream with hints of ground spice

**VARIETAL COMPOSITION** – Shiraz, Cabernet Sauvignon, Sauvignon Blanc

**PALATE** – A bright luscious wine with sweet strawberry and cream flavours. Acidity is fresh and vibrant, with a sweet fruity finish.

**WINE ANALYSIS** – Alc/Vol: 12.5%, pH:3.2, Acidity: 6.7

**WINEMAKER** – Stephen Craig
