

GRENACHE

2020
McLAREN VALE

THE YEAR THAT: We installed solar panels & Don got addicted to the phone ap!

HISTORY

With 100 ha of premium grapevines on the Taranga property, the Oliver family has over 50 blocks representing different grape varieties, clones, soil types & vine ages.

WINE & VINTAGE

2020! What a year.....for many reasons, and not many of the great :(Except when it comes to wine, especially our Grenache. Pretty much a drought year, but these old bush vine Grenache have delivered the goods again. We snuck a few whole bunches in our Grenache this year, so you may notice a bit more of a floral lift and lovely long tannins to round out the palate. Glory to Grenache!

AROMA

Red berries and forest floor- earth, spice, lifted floral aromas. Nettle and ironstone, fresh and bright, jumping out of the glass.

PALATE

Super crunchy red currant notes, chalky tannins, mouth watering savoury notes. Cocoa dust, cranberry juice, all the things! This Grenache delicious!

THE YEAR THAT.....

We are committed to environmental sustainability at Oliver's Taranga, and were excited to finally get our solar panels installed this year. However Don, who loves saving a cent or two, has become addicted to checking what the solar panels are doing on his phone ap. He knows the second someone turns on the air-conditioning!

WINEMAKER

Corrina Wright, 6th Generation

SMALL BATCH PRODUCTION

17113 bottles

GRAPE VARIETY

100% Grenache

REGION

100% McLaren Vale

COLOUR

bright cherry

ALCOHOL

14 %

WHAT THE WRITERS HAVE TO SAY.... [2018 VINTAGE]

Hand-picked from the Old Block planted in '65, destemmed, berry-sorted, lightly crushed, wild yeast-open fermented, bottled Dec '19. It's on the full-bodied side, but the texture and structure promote the luscious (not jammy) fruit. A lovely traditional wine.
