

SISTER'S RUN

EST. 2001 AUSTRALIA

The truth is in the vineyard, but the proof is in the glass.

ABOUT US

Sister's Run is serious fun. Our talented young winemaker Elena wears steel cap work boots every day of course, but carries a pair of high heels in back of the ute, only for emergencies, like last minute invitations to accept trophies at gala wine show dinners and the like.

Returning from a 'knees-up' at midnight, mid vintage, she managed to kick off one high heel and slip back into a boot' just as the cellar crew cried out, 'Run Sister Run'; and exactly then our winemaker and label took flight!

St Petri's Barossa Riesling

Need not be the last; but first glass you have. A true expression of Riesling procured from Barossa in all it's fruitful glory. Lovely chilled sipping on one's own, with friends or almost any dish and a second glass.

It's about
making ideas
happen

Sunday Slippers

McLaren Vale Chardonnay

Is a true expression of Chardonnay grown in McLaren Vale. We aim to rekindle the love of Chardonnay. This wine demonstrates a combination of white stone fruits and citrus on the nose and palate.

Babylon's Block McLaren Vale Chardonnay

A Chardonnay embracing creaminess and oak notes on nose and palate. Textural across the palate, with some grip and breadth.

St Ann's McLaren Vale Grenache

Need not be the last; but first glass you have. Lovely sipping on one's own, with friends or almost any dish and a second glass.

Cow's Corner GSM

A delightful and savoury expression of Barossa Grenache Shiraz Mataro. Best drunk with meals and mates and a second glass too.

Santa Vincente Malbec

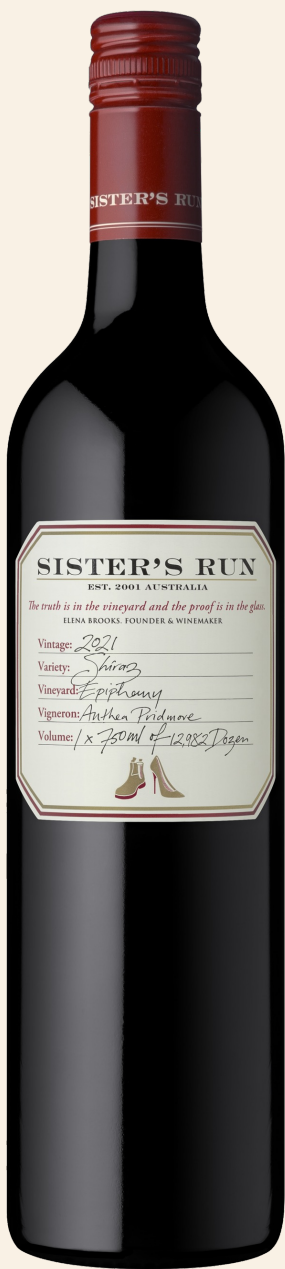

The Santa Vincente is located in Mendoza, Argentina, and this Malbec is grown by vigneron Srta Lisa Denham..

**The Epiphany
McLaren Vale Shiraz**

Is grown by Tony Parkinson at his famous McLaren Vale vineyard. These tough Shiraz vines produce rich flavours in their berries as they strive to 'populate or perish'.

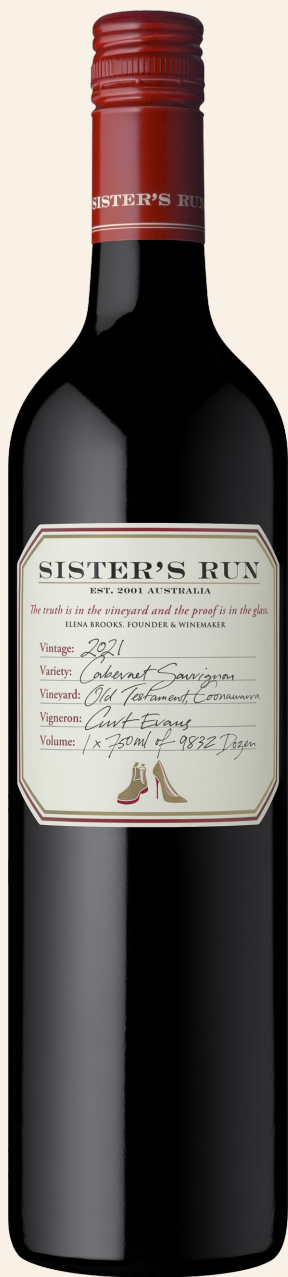

**Bethlehem's
Block 20
Cabernet
Sauvignon**

Barossan cabernet with a firm hand on the tiller. This red wine is a kind of luxury in the world of cabernet's tendency to dourness.

**Old Testament
Cabernet Sauvignon**

Some of us think that Coonawarra is a satellite appellation of Bordeaux, such is the way Coonawarra cabernet can muster Bordelais elegance and tannin and quiet power.
