

2021 Sparkling Tempranillo

Refreshing & lively.

Red raspberry, violets & plums.

750ml | 13.5% alc/vol

The softer tannins and savoury flavours our estate-grown Tempranillo makes for a sparkling wine that is both distinctive and extremely enjoyable.

Generous aromas of fresh blackberries, violets and plums while the palate is a balance of rich red raspberry and dark cherry. The vibrant fruit flavours continue throughout the entire length of the palate and are balanced with a savoury finish of soft tannins.

Drink young and fresh. Best served chilled.

Food pairing: The 2021 Sparkling Tempranillo is an all-round food wine or pre-dinner drink.
