

2018 Ubertas Single Vineyard Shiraz Cabernet Sauvignon

85% Shiraz and 15% Cabernet Sauvignon blend was hand-picked at the optimal ripeness from estate grown vineyard. The Cabernet Sauvignon was planted in 1950s. Wine was hand-crafted by our winemaker. Wine fermented in open top fermenter with pump-over for optimizing flavours and colour. Wine was aged in French Barrels for 18 months. We used 30% new oak and 70% used oak.

This blend shows the intensity of dark fruits and spice with fine acidity and finish. The Shiraz Cabernet Sauvignon offers flavours of violet, blueberry and blackberry coming back with tertiary flavours such as dry grapes, coffee.
