

COTTONTAIL WINES

CHARDONNAY

LOCATION

Cottontail Wines is located in South Eastern Australia, specifically the Gundagai wine region, classically known for ideal growing seasons producing rich fruit characteristics and beautiful berry colouring. The vineyard experiences ideal spring conditions separating cold winters with hot summers.

PAIRING

Our Chardonnay is designed to be enjoyed now, serve chilled and is a perfect match with fish, Asian style chicken and pork.

KEY NOTES

Cottontails has an excellent growing season for our Chardonnay. Long cool nights and warm summer days allows for a slow and balance ripening to bring out the acid. Our Chardonnay is a bright yellow straw colour with an elegant nose of lemon citrus. The palate is soft with nutty & cream characters.
