

Devil's Corner

T A S M A N I A

Intrepid sailors navigating Tasmania's Tamar River discovered a treacherous bend and named it Devil's Corner. Beyond the tumultuous waters they found an amazing sanctuary, where still waters rewarded their hard navigational efforts. Their courage in pursuing this sanctuary is celebrated in this truly cool climate, finely crafted wine from Exceptional Tasmanian Terroir.

2019 Devil's Corner Resolution Riesling

THE WINE

The nose is tight in its youth showing lime juice and slatey mineral lift. The mineral elements follow through to the palate with a pith texture. The acidity carries the citrus flavours for a long time on the palate and keeps the finish crisp and fresh. This Riesling is a bright, pale straw colour with tinges of green. The 2019 Devil's Corner Riesling is our second release of this wine. It will reward medium term cellaring of 4 to 8 years.

THE GRAPE VARIETY

Riesling produces wines of elegance and fragrance in Germany and France. An extraordinarily versatile variety, it produces wines ranging in style from crisp, delicate and aromatic to luscious, rich sweet dessert styles. It was one of the first varieties to be brought to Australia by European immigrants and is widely planted throughout the country. In areas that enjoy cool ripening conditions, it produces wines of tremendous depth of flavour and elegant structure.
