2022 CABERNET FRANC ROSÉ

Jo Irvine is passionate about showcasing the perfumed capabilities of Cabernet Franc, and her unique wine styling has created a Rose utilizing this historic variety, showing a white wine style which contrasts the more traditional medium bodied red wine.

TASTING NOTES

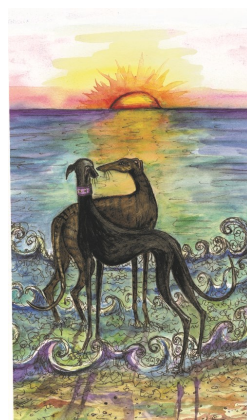

A pretty, soft blush pink hue denotes a luscious palate of toffee-apple followed by strawberries and cream, drawing on the palate with a crisp dry finish and a refreshing, herbaceous afterglow. Gorgeous to sip chilled, during the afternoon and simply stunning paired with any tomato inspired dishes, or why not accompany this beautiful wine with Ricotta pancakes, spiced pear and bacon butter, for your next brunch with friends!
