STONES+THUNDER

Calm before the storm Chardonnay 2023

"Exquisite notes of white grapefruit and lemon balm greet the senses, leading to a palate rich with fleshy citrus acidity and hints of butterscotch and spice. Lingering finish. A showstopper". - IWSC

STONES+THUNDER

Echoes of fury Bordeaux Blend 2023

Opening with dark plum and hints of bay leaf and cedar. Dark cherry and mulberry drive the palate, framed by fine tannins and fresh acidity. Subtle earthy notes and a touch of savoury spice linger on the long, balanced finish.
