// BAROSSA • VALLEY

shiraz 2019

(taste)

1. Express yourself with this dark wine, filled with hidden surprises just like the terroir from which it came. This Barossa Valley Shiraz is bold and satisfying.

[ex-PRESS-ion] is dark forest fruits on the nose backed by fruity, oaky and flavoursome palate with fine tanning and a plummy finish.

(winemaker notes)

This is a subtle introduction into the Barossa for those that might be too scared to jump into something so big. Pretty much BBQ fun in a bottle.
